# CREED

Shriners believe in God and that he created man to serve his purposes, among which is service to others in His name.

We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We cherish independence under law and freedom with responsibility.

We honor family, we respect our parents, wives, and children. We should instill in our children the tenets of this creed and the heritage from which it emanates.

As individuals we pledge ourselves to integrity, virtue, and nobility of character. Our intensions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves.

We believe Shriners Children's to be the world's greatest Philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means.

## WHAT IS A SHRINER

**A Shriner is a man who professes a faith in God. As a man of faith, he uses the tools of Moral and Ethical truths to serve mankind.**

**A Shriner binds himself to like-minded men in a brotherhood that transcends all religious, ethical, social, cultural, and educational differences.**

**In fellowship with his Brothers, a Shriner finds ways in which to serve God, his family, his fellow man, and his country.**

**A Shriner is dedicated. He recognizes his responsibility for justice, truth, charity, enlightenment, freedom and liberty, honesty and integrity in all aspects of human endeavor.**

---

The first temple (chapter) established in the United States, was on September 26, 1872. As word got out about the fledgling organization, membership grew rapidly, spreading across the United States. In the early 1900's, membership spread into Canada, Mexico, and Panama. Today, Shriners International is a fraternity with nearly 200 Temples in several countries, thousands of clubs around the world and hundreds of thousands of members dedicated to the principles of brotherly love, relief and truth.

---

## THE FEZ

Shriners International has adopted the Fez as the exclusive type of head covering to be worn by all nobles when appearing as such. This means all nobles must wear their fezzes at stated meetings, ceremonials, Shrine parades, caravans, special Shrine events, and any other activities.

The fez is never worn at a Masonic lodge communication or meeting.

At non- Shrine functions where an Imperial officer is representing a Shriners International, or a temple officer is representing a Shrine temple, he may wear his fez. However, other Shriners in attendance are not to wear their fezzes.

As a noble, you are particularly admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister or daughter. Never forget this.

No other person is ever allowed to wear a noble's fez.

## NATIONAL ANTHEM

O say can you see, by the dawn's early light

What so proudly we hail'd at the  
twilight's last gleaming

Whose broad stripes and bright stars  
through the perilous fight

O'er the ramparts we watch'd were so  
gallantly streaming,

And the rockets red glare, the bomb  
bursting in air,

Gave proof through the night that our flag  
was still there,

O say does that star -spangled banner yet  
wave

O'er the land of the free and the home of the  
brave.

## SHRINE PLEDGE OF ALLEGIANCE

"I pledge allegiance to the flag, and to the  
republic for which it stands; one nation under  
God; indivisible; with liberty and justice  
for all."

# O CANADA (REVISED)

With glowing hearts we see thee rise,

The true north, strong and free!

From far and wide, O Canada,

We stand on guard for thee

God keep our land, glorious and free
