Potentate's Message

Nobles,

Moslem Shrine 2020 year is half over! This certainly has not gone the way we planned. The COVID-19 virus forced us to cancel events to be compliant with the Grand Lodge of Michigan and the Governor of Michigan. This helped us to insure the safety of our members.

We do not know at this time when we may start events and meetings as our area appears it has not decreased in cases. Requirements on the number of people allowed in our building is set at 10. This factor has impacted our fund raising events.

We are planning on running the Sportsman's Gun Raffle as a virtual event August 30th. We are pleased many prior ticket purchasers have moved to the virtual raffle. Please note the brochure we have in this publication for details. Michigan State Fair will transition to a virtual format this year. This event has been one of our better fundraising events and certainly will be missed. Michigan State Fair also announced that this year they will be making a donation to Shriners hospitals for Children.

I am thankful for the help and dedication for our Office and Silver Garden Staff during this Crisis. Pam, Kim, Lynnette have worked hard during this whole period with many sacrifices being made by them. Ann Marie and her Silver Gardens team has spent numerous hours rescheduling events and working with customers for future events. Two events that members have made ticket purchases are the Meat Raffle which we hope to be able to have later in this year. If you made purchases you may transfer your tickets to next Meat Raffle or request a refund. Please notify the Office Ext. 3 of your wishes. The next event was the Ladies Luncheon which we hope to have in the fall. Again please let the office know if you wish to transfer to a future event or would like a refund.

The cash calendar still needs about 100 more to be sold to break even. You can call the Shrine office to get one for at the discounted price of \$10! Please return any unsold calendars to the office. This is needed for us to satisfy the State of Michigan requirements.

This year certainly has impacted our entire operation and including financially.

We thank the Jackson Shrine Club for their \$5000 donation to our General Fund. This certainly was not expected and we thank them for their help and assistance in this unprecedented year. This certainly cushions some expenses that continue every day at Shrine Center.

Yours in the Faith,
Ray Moore

Reception Unit

George Staten, Director

Greetings to all the members of the Reception Unit. Hope all of you are well and enjoying the stay at home, per our Governor and wearing your mask and keeping your distant when you have to go outside. One day this Virus problem will be over and we can get back to normal.

AS I have said before, all the Shrine function's and fund raiser's that are put on are for your pleasure and benefit and if you don't attend you are not getting your money's worth. One day we will be having parties and parades. Again, so be prepared. (To all of you new Shriners that don't belong to a Unit, join with us.)

As you know, the Shrine Wheel Barrow of Cheer and the Charity Poker is the way we make money to support our Shrine Hospitals and other functions in the Shrine and our own activities.

We haven't put on a Charity Poker for a while because it is hard to get back in with them. You will be notified when we have a meeting and have functions in the shrine again.

Because the Shrine Sportsman Raffle for August the 9th has been canceled it cancels our Wheel Barrow of Cheer Raffle. To offset some of the cost the Shrine is having a Raffle of (25) prizes on Sunday August 30th at the Shrine Temple. Cost is \$10.00 per ticket or \$20.00 for (3) tickets. Go to ShrineOutdoors.com or call the Shrine Office at 248-569-2900 for tickets. Help to make the Fund raiser a success.

Just to remind you when we get back to having parades again, we are in charge of carrying the shrine Banner and we will need at least (2) member to do that. So plan on being there and help your Unit. We haven't been doing a very good job of it. We were going to have an outing at Uncle Ray's Chrystal Lounge and a few months later a trip to the Casino. Both of them are still on hold.

Your Unit has been doing there share by donating to the Shrine Hospital and other things in the Shrine. Per a request from our Potentate, he needed more sales for the Shrine Calendar so your Unit purchased a box of them at \$10.00 per Calendar. We have had winners of \$140.00 and we just had a winner of \$100.00 this month. The Unit will get a lot of their money back.

If anybody wants "Reception Unit" on their fez, take it to the Shrine Temple and the Unit will cover the cost. Also, if you don't have a Reception Unit Name Tag, let George know and again the Unit will cover the cost. We still have gold and silver fez pins, so sell them if you can. Brothers in the last few months we have had Albert Tedd, Stan Miller and Uncle Ray's (2) sons have passed away. One of the sons was his grandson, Ray's father. Your Unit has made a donation to the Shrine as a memorial to them.

Shrine Lancers

By Todd Wyber (Piper T)

Top O' The Day to all of you!

I hope that all of you are doing well and staying safe and healthy during this crazy COVID 19 time. As you are all aware, basically all of our summer activities with the Shrine have been cancelled. Luckily, we are having a Lancer Picnic in August at Joe Saez's home. We are all looking forward to getting together for a day of fun and food while still practicing safe social distancing outside. Thank you to Bob O'Brien for taking the reins on the picnic. More to come on this in the next article.

Congratulations to Ed on his recent retirement. He is very excited to do more with the unit this summer. Way to go Ed! Sick Report- Dave Burnette had an accident at work and is now on the mend. We wish him a full and speedy recovery.

We have had a few online zoom business meetings during this COVID time. Contact Matt if you would like to join any of the meetings. They are on the first Mondays of the month at 7pm.

We have a new member joining the Lancers. Please welcome Dan Powell to the Lancers. He's energetic and eager to be in the unit and to drive in parades. Welcome Dan!

FACE MASKS! The Lancers are selling facemasks. They are 100 % cotton and are made in the USA. They are black and have the Shrine emblem on them. Please contact Matt or any other Lancer to get yours today. They are \$10 each. Matt's email is mattpoth@gmail.com. Get your awesome facemasks today!!!!

The Romeo parade has been officially cancelled. Despite this, please keep your cars running. Drive around the neighborhood or to your nearest store. If you need any work done to them, this is the time to do it. We, the Lancers, want to say a BIG "Thank you" to Gary at the Shrine Garage. He has worked on and replaced many engines in our cars. He's been a great friend to the Lancers. Thank you Gary!

In June, some of us got together in Ludington to camp at Poncho's Pond RV Resort. Bob, Adam, myself and a few other Shriners all camped together. We had a lot of fun. With this said, stay tuned for a new/ old Shrine Club that may return to Mighty Moslem. Fun Stuff.

To all NEW and experienced Shriners, here is your chance. If you have been looking for that one unit that you would like to belong to, look no further. Come to the Lancer room on the first Monday of each month and meet the guys. You will have the time of your life driving a Lancer car in the parades. Contact Matt P. for more information and make a decision that I know you won't regret. Come join one of the fastest growing units in Moslem and become a Lancer today!

Until next time, keep your engines runnin. Todd Wyber pipertaw@yahoo.com (Piper T)- Highlancer

Past Master

“Noble’s Pride”

by Noble Ben R. Steen, 1995,

When I look around at my life in the Shrine,
many things I cherish stand out in my mind.

Hospitals for the children who can’t run and play,
bring hope to the families,in so many ways.

A crippled or burned child gets first-rate care,
and there’s never a charge for any child there.

And I’m proud of our circus,that’s part of the Shrine.
It brings out the child in all of our minds.

I’ll stand with my brothers,and salute our flag,
be it brand new,or tattered and sagged.

‘Cause it’s heavily entwined,in our lodge of blue
it stands for our freedom and the religion we choose.

We’re from many backgrounds and different lifestyles,
but we never stand taller than when we stoop to help a child.

Yes, I’m proud to be a Shriner,and I love the parades,
‘cause children’s laughter is what I get paid.

Hope everyone has had a safe, healthy and enjoyable Summer so far this year even though the Coronavirus seems to have taken over. Let’s hope the virus ends soon and we can all get our Shrine activities back in order. The Past Master Unit has been very quiet with no activities since our last meeting on February 17th. It is hard to believe that it is now August and we all must wonder “where has the year gone.” Let’s plan to have our regular Past Master meeting on Monday, September 17th providing that the virus has disappeared.

The Past Master, Directors Staff Christmas Party is scheduled for Thursday, December 10th at the Silver Gardens, Shrine Center.
Healthy. Stay Safe and stay

Fraternally,

John Thornhill, P.P.

RISING STARS

Helping Our Patients Discover Their Potential and Believe in Their Dreams

Shriners Hospitals for Children® is committed to providing what we call wrap-around care. It means we maintain a family-centered approach and are concerned with our patients' overall health and well-being.

This can mean different things for different patients. It can include finding ways to help them play with their friends, enhance their education, enjoy a hobby and live more independently. The staff of Shriners Hospitals for Children is known for taking the time to listen to our patients and families, learning of both their medical needs, as well as their hopes and dreams.

First Lady Alice Smith believes that giving our patients every possible advantage and opportunity to achieve helps them to become **Rising Stars**, and she is dedicated to strengthening their incredible spirits and abilities, helping them to have full, satisfying and productive lives.

TREATING UNIQUE NEEDS

To help each child who comes to Shriners Hospitals for Children become as independent as possible, we often introduce and provide assistive devices, especially through our various therapy programs. We provide our patients with physical, occupational, speech and recreational therapy.

Assistive devices can range from items to help learn or regain the ability to walk, to computer-driven augmentations for those with speech difficulties, to items that help children learn to feed or dress themselves. Assistive devices also include mobility aids, such as crutches, walkers and wheelchairs. We can also customize the devices to fit the specific needs of individual patients. The **Rising Stars** fundraising program will support these efforts.

*The appropriate value of goods/services received is \$11.25 for bead, \$7 for star necklace, \$15 for regular tie, \$17 for long tie, \$12 for pre-tied bow tie and \$15 for self-tied bow tie. This amount is not tax deductible.

INTEGRATING TECHNOLOGY

We also use assistive technology in our therapy programs, through the availability of various systems such as body weight supported gait training and functional electrical stimulation bikes. We are also concerned with our patients' quality of life, and work to provide, or make them aware of, adaptive recreation opportunities and items to provide additional kid-friendly mobility, such as adaptive toy cars or bikes.

"We all want our children to be happy and successful," said Lady Alice. "I want to help our patients move from the Shriners Hospitals system to successful, independent adult lives."

Lady Alice invites you to join her in supporting Shriners Hospitals for Children's efforts to provide our patients with appropriate assistive devices as well as skills they can use for a lifetime. Donors may purchase a unique necktie or bow tie, a beautiful bracelet bead or an elegant necklace featuring a beautiful star, or they may make donations online. Thank you for your compassion, generosity and support of Shriners Hospitals for Children.

To us, all of our patients, and their families, are **Rising Stars**. We are proud to support the availability of adaptive and assistive technology that helps them achieve their goals and become as independent and self-sufficient as possible.

The common thread of philanthropy resonates through our fraternity, with our underlying goal of supporting Shriner's

Hospitals for Children. Our hospitals provide advanced care for children with orthopedic conditions, burns, spinal cord injuries, and cleft lip and palate. Our hospitals along with our activities are supported through the donations of our membership and the community.
