### **Illustrious Sir Bob O'Brien, PP**

On Wednesday, July 12, 2023 at 2:00 PM the Shrine office was shocked and sadden to learn Illustrious Sir Robert Allen "Bob" O'Brien, PP (2018) suddenly and unexpectedly laid down his working tools and was called to the Celestial Lodge above at the age of 67.

Robert Allen O'Brien was born on March 25, 1956 to Orla O'Brien in Dearborn, Michigan. After graduation from Lincoln Park High School, Bob went on to work with his dad at Allied Signal. He continued to work there until his retirement in 2009. He was the last person left in the plant when the doors officially closed. Early retirement did not work well for Bob, a man who always needed to be busy, and he soon began to work for a good friend at MMS as a project manager contracted to Ford Motor Company where he continued to serve until his passing.

Bob also worked at the Lincoln Park Roller Rink where he met his wife of 46 years, Judy. Bob and Judy married in 1976 and together had two daughters, Holly and Rachel. Together, Bob and Judy managed the roller rink until 2017. The roller rink, the staff, and the customers were so much more than just people to Bob. They were family.

Bob was a proud man and enjoyed spending time with his family. He never missed his grandkids hockey games or concerts. He loved camping with Judy throughout the summer.

As much as Bob loved his family, Bob enjoyed the legacy of following in his father-in-law's footsteps and being a Shriner. Bob was raised as a Master Mason in 2005. He crossed the hot sands in June of 2005 and became a Shriner. Bob quickly found his calling in Child Care. He sponsored children and drove them to their hospital appointments. His commitment to the Moslem Shrine continued as he became Child Care Director in 2010. Bob was the Illustrious Potentate of the Moslem Shriners in 2018, a title and duty that he was extremely proud of. Bob served on the Board of Governors for Shriners Children's Ohio Hospital in Dayton, Ohio. Most recently, Bob had the tremendous honor and was introduced as one of the two Director Generals for the 2027 Imperial Session to be held in Detroit.

Bob was preceded in death by his father, Bill O'Brien. He is survived by his loving wife, Judy; Daughters, Holly (Adam) Michalak and Rachel (Corey) Michalak; Grandchildren, Abby, Collin, Julianne, and Madison; Mother, Orla; and Brother, Fred.

## MESSAGE FROM OUR POTENTATE

Hello Nobles

We are in mid-summer with a lot of events happening the Temple picnic on July 29th don't forget to wear your Hawaiian gear for the party.

August 5th it's a night at the races at Northville Downs in Northville Michigan look for more details on constant contact and our social media outlets soon. Larry Senn our events Chairman is heading up this fun event.

### STATE FAIR WEEKEND

Shrine has a great Time at the Michigan State fair Labor Day weekend if you can help, please try and help any way you can this is a major event for our temple.

Looking to the fall September 30th we have a great Childcare outing planned thanks to Troy Thompson and his lady Kristin it's a Golf outing in Taylor if you're not a Golfer like me they have a DJ a ladies Porch Party just to name a few things other than Golf. Look for the flyers please come if you can.

We have had some parade cancelations this year through no fault of the Shrine at the time of this report we had Wyandotte and Clinton Fall festival still planned.

Thanks to the various clubs and Units that are out there, finding parades and showing the communities in their area Moslem Shriners love to parade. I am not sure, but it almost looks like there is a parade battle between the Jackson Shrine club, Lancers and Taylor shrine club to see who can perform in the most parades in one year.

Thanks guys!

There have been some questions raised regarding if the Divan is moving in any direction regarding finding us a home and the simple answer is YES.

A team has been appointed by me to look all over metro Detroit and I do mean all of metro Detroit. The team found a church over in Madison heights that look good at 1st but sadly the building had issues that wasn't acceptable for our needs.

The team is looking for every day we also have a realtor that is working with us as well, finding a building has not been put on the back burner your Divan is striving to find us a home.

With us not seeing each other at a brick-and-mortar structure communication is problem we have the internet but let's be honest not everyone has it or wishes to use the world wide web.

When we have solid information, it will be sent out, but we can't give any information if their none to give, we are not silent because we want to keep secrets from the nobility it's the fact, we do not have any information to give, again when we have some positive information you will be informed.

## MESSAGE FROM OUR ASSISTANT RABBAN

Nobles all,

By the time this article reaches you we will be well into our Michigan summer with warmer weather, brighter attitudes...and yes, even that much-welcomed sunshine (including that rascal Clown)!

This also means the Parade season is in full swing, and if the turnout for the Lincoln Park & Sterling Heights parades is any indication that someone just turned the fun switch back on, this is it. Moslem Shriners do love a parade and we know how to do them right!!

To see the Units and Clubs come out and participate in the parades, enjoying each other's company & camaraderie proves that there is fun to be had and it really does do the heart well.

Smiles, laughs, waves to the crowds of people on the sidelines can be very therapeutic for any Shriner, but hearing people thank us for what we do is why we do what we do and there is no price you can put on that, it just makes the pride swell in all of us.

A lady at the start of the Lincoln Park parade told me that they keep the Shriners for last because we are the crowd favorite and when the people know we are there and are the last group, they will stay to see us and thus see the entire parade.

This gives ALL the parade participants the opportunity to be recognized and applauded, and that is a total "WIN-WIN" and some great motivation not to mention that positive publicity we get within the communities.

That said, I want to encourage each of you to check out the parade schedule to see where the next one is and make excuses to come out and enjoy...even if you do not want to be in the parade, come for opportunity to get together with fellow Nobles. Come for the pure enjoyment of watching it. Come so you too can feel the love and support that we all feel from being part of this great organization we call Moslem Shrine.

Sincerely and Fraternally

Gary Lewandowski

# LANCERS UNIT

It has been a busy parade season so far this year and with many more to come between now and December. The Lancers Unit motto is "We ride so children can walk." There is nothing greater than being able to bring smiles on the faces of children and the young at heart of all ages as Lancers will race down the street and maneuver in front of the parade crowds. There is a reason why the Lancers are referred to as "Those crazy guys who drive those little cars."

Sterling Heights Memorial Day Parade May 29th

Grosse Isle Island Parade June 3rd

Jackson Rose Parade June 4th

In addition to the approved Shrine official parade, the Lancers have also been very active with the Potentate's approval to participate in many other community parades to help raise the awareness of Shriners, Shrine Hospitals, and Freemasonry. Some of these additional parades include Trenton & Sterling Heights in May, Grosse Isle and Jackson in June, Brighton and Yale in July, River Rouge & Richmond in Sept, Coldwater (anticipated in Oct), Howell (Nov.).

If you have an interest in learning more about the Lancers unit or are looking to have that fast go cart that your father wouldn't let you have in the days of your youth, please reach out to any of the Lancers or Bill Cook at: 810-599-5606 or email at: [wwc7828@yahoo.com](mailto:wwc7828@yahoo.com). We welcome your participation and additional fellowship.

## Save Your Tabs!

### What is the “Pull-Tab Collection Program”?

Pull-tabs, or pop tabs, from beverage cans can be saved and donated to the Moslem Shriners. The tabs are sold to a recycling company and the money collected is used to help Shrine Kids.

### Why collect the tabs and not the entire can?

Aluminum has recycling value, and the tab is the only pure aluminum part of the can. The can itself can still be returned for the deposit in Michigan after the tab has been removed.

### Where do you deliver the tabs?

Tabs can be dropped off at the Moslem Transportation Bus Garage in Clawson. Call the Garage to make arrangements to drop them off.
