## MESSAGE FROM OUR POTENTATE

As December rolls in, I've realized that this is my last article in the Moslemite as your Potentate. It's amazing how quickly time passes us by and it's almost time for me to move over. I would first thank the Nobility for allowing me to serve on the Divan and as your Potentate. It has truly been an honor representing Moslem and serving you.

Although 2021 was a very challenging, up and down year, I feel much was accomplished and we are setting the stage for a brighter future for Moslem. Selling our beautiful building early in the year was a major step towards financial stability. The annual cost to maintain the building was staggering and with the need to replace the entire roof at a cost of \$750,000+ was literally hanging over our heads. Even with mediocre fundraising dollars, we will come in with nearly a half million-dollar improvement financially compared to the 2020 numbers and several hundred thousand dollars under the last six or seven year average.

After the original building purchase fell through, we organized another relocation committee which to date, hasn't found a permanent home for us. Our lease is up in Southfield and we will be relocating the offices and storage to a temporary location near the Suburban Collection Showplace in Novi. Many of our meetings and events can continue to be held there at nominal or highly discounted rates.

After cancelling several events the first half of the year due to Covid, we finally got our feet off the ground in May. Every event First Lady Diane and her team planned was successful, fun and financially in the black. I watched her every day and know Lady Di worked hard to make these events a success.

After a moderately successful virtual Sportsman's Raffle, Craig Stigleman, PP and his team hit it out of the park with a wildly successful State Fair/Circus. The two events combined to bring in about 60% of our normal annual fundraising dollars to help take the sting out of the year.

Our office staff of Pamela and Kim have been outstanding. They handled the extra workload caused by the situations Covid, building move, and losing a staff member efficiently and without complaint. I don't know what we would do without them .... Thank You Ladies.

We must also recognize that Moslem wouldn't be remotely successful at any of our events without the help our ladies. We started talking two years ago with LOS to put on two joint fundraisers that would help both LOS and Moslem. Working together helped to bring larger crowds and strengthen the bond between the two groups. I hope this kind of cooperation can continue for future years.

## MESSAGE FROM OUR POTENTATE

Sitting in the Potentates chair is a bigger challenge than one might think. It's difficult to understand that unless you've sat there. There is a lot of responsibility, and many hard and sometimes unpopular decisions must be made. I'd like to think that I always put Moslem first in the work I did and in the decisions I've made. I'd like to thank the Nobility for their support over the years. It's hard to single a few nobles that have helped but my General Chairman Sean Nagoda, Chaplain Gary Lewandowski, Tommy Thompson, Wayne Mueller and John Nagoda were all almost weekly conversations throughout the year. Without that support and the support of the nobility, Mighty Moslem wouldn't be what it is.

**Mike Zelmanski  
Potentate**

Thank you to Illustrious Sirs John Thornhill, Mike Dib, Bob Lee, Bob Pate, Craig Stigleman, Bob O'Brien, Jeff Geske and Imperial Sir Larry Leib. These Past Potentates were always a phone call away and there to offer advice and support if needed. I've always felt that the Past Potentates should be available to help, attend events when possible and be a positive, supportive influence after their tenure as potentate if they are healthy and able. I hope that I can and will be that same kind of Past Potentate.

I'd like to also thank the Divan. This year's Divan was one where diverse thoughts and ideas would be encouraged and could be discussed in meetings. We worked in harmony together thinking about the future of Moslem, not just the past. We had a lot of fun taking care of serious business together. Not everything went my way, but that's how the system should work. It also became abundantly clear over the last few years, that when you wear a Moslem fez, shirt or regalia, you are representing Moslem, Shriners International and Shriners Children's Hospitals. You are expected to act in a certain manner, especially as a member of the Divan.

Finally, a huge thank you to my much better half and MY First Lady, Diane. Behind every good man is a good woman. Lady Diane always stood beside me, supported and pushed me to be the best I could be as a Divan member, then Potentate. The strength she has and the example she sets is nothing short of remarkable. Lady Di also has always fully supported both the Shrine and our ladies. I'm so proud of the job she has always done and especially as First Lady this year. I couldn't be any prouder of my First Lady as she always handled herself with grace and dignity.

Going into 2022, I will continue to run the Sportsman's Raffles for now and support the upcoming Divan line, events and fundraisers. Thank you again for allowing me to serve and represent Moslem as your Potentate.

## MESSAGE FROM OUR CHIEF RABBAN

The Future is Bright

We have a clearer path to start the process of transitioning and building the future. It was here all along. With so much going on over the last two years and especially with COVID climate stunting our growth it has been difficult for us to make the proper decisions. In other words, it was an excuse not to react and sit back and see what might transpire. Lay low like most folks and let things take their course. I can assure you this did not happen. We have had our limitations and challenges for sure, but this Divan never stopped believing we could do better and better our situation.

So, I would like to congratulate Mike Zelmanski for his untiring leadership and perseverance for 2021. Moslem is on a great track. Our Illustrious Sir has several times had to prevent us from derailment! Our two largest fund raisers have given us the necessary fuel to sustain a critical turn in the best direction that our Nobles deserve. We are fiscally sound and prudent with our resources. Moslem will move forward in a solid position and create opportunities to gather as brothers and friends and serve our membership and children of Shriners hospital system at full capacity for 2022. And for this, I pray. Proud to be a Shriner Mason! Tim Lancaster, Chief Rabban – BOG Shriners Children, Ohio.

## MESSAGE FROM OUR ASSISTANT RABBAN

Hello Nobles

December is here, time to be with family and friends during the Holiday seasons, if we look back on this year we were able to have a few events in the last 6 months, It was good to see our shrine family once again, a recording breaking circus, a ceremonial a couple of parades.

We were able to sell our temple in Southfield, it was a very hard decision for all of us but it was one that had to be done, the cost was just draining our temple funds faster then we could recoup, I as of many of you wished that we would could have found a way to keep such a beautiful temple location but it just was not possible.

It is the end of 2021 time to look forward to 2022 more people are getting their covid shots it seems thing are starting to turn around for us, Mighty Moslem is changing for the better and not looking back at the last year and half of covid of separation of friends and family.

Lastly I want to thank Ill Sir Mike and Lady Di for their hard work and dedication to Moslem not only for this year but for all their years of service at Moslem,

Mike thank you for your advice and straight forward ideas. Lady Di, Lady Jan and myself would also like to thank you for your dedication as well, with out our ladies support we as Nobles and Divan members could not achieve our goals, as Masons and Nobles with out your help.

Merry Christmas and Happy New Year

To all of our Moslem Family

## MESSAGE FROM OUR ORIENTAL GUIDE

On September 23rd -25th , I had the honor and pleasure to attend the Shriners International 2021 Oriental Guide Conference in Tampa, Florida. Being elected as Oriental Guide is the first elective step toward becoming Potentate. Of all the things you will carry with you into the office of Potentate, the most valuable will be education.

This conference was a working session, packed with as much information as possible. There was a Noble's Program and Ladies' Program. Many of the Imperial Officers, Leadership Team and Shriners Hospital for Children Vice Presidents were in attendance. The early Noble sessions focused on leadership. They were based on sound leadership principles and practices developed by Dr. John C. Maxwell and personal accountability. There were other sessions on Membership, Shrine Law, Finance and Budget, "What's Not in the Book" and Fundraising. All were excellent and very informative. Moslem Shrine was given high praise for our fundraisings events, including the Sportsman's Raffle, Circus and Meat Raffle.

One of the significant benefit of attending these seminars is the opportunity to interact with counterparts throughout the United States and specifically the Great Lakes Shrine Association (GLSA). This opportunity to talk to other Oriental Guides provides an excellent opportunity to learn what other temples are doing that will help us address a similar issue or problem in our temple. The interaction also develops a friendship that will last a lifetime. Although this is mandatory training for all Oriental Guides, it was well worth the time and I am very grateful for the experience.

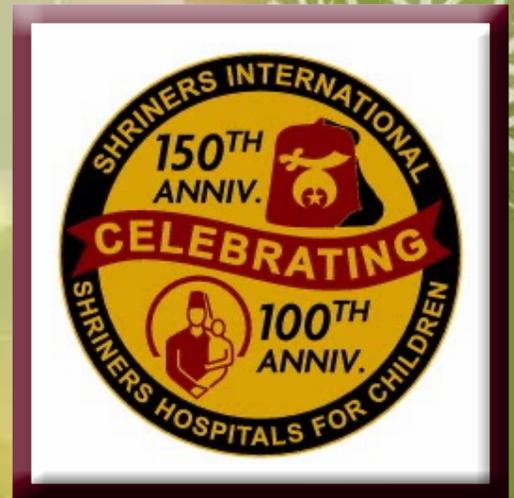

Yours in the Faith

## MESSAGE FROM OUR RECORDER

The holiday season is just around the corner and from Mrs. Pam York, Mrs. Kim Belanger, Past First Lady Pam Pate and I wish the best of everything to you and your family during this joyous time of the year and into the new year.

Back in 2008 when Imperial Sir Douglas Maxwell was serving as Imperial Potentate, a parent of a child at Shriners wrote an adaptation of "Twas the Night Before Christmas." With the holiday season I thought you might enjoy it.

**Robert Pate PP**  
*Recorder*

A Shriners's Christmas 2008"

'Twas the morning before Christmas,  
When all through the house  
Carrie's cat Bubba is acting crazy  
Like he's just heard a mouse;  
Carrie's legs are stored  
In her room with great care,  
In hopes that a more comfortable fit  
Soon will be there.  
As all of us were nestled  
All snug in our beds,  
Visions of great things for Carrie  
Danced in our heads.  
And Mamma in her sweats,  
And I in my unmentionables,  
We had just settled down  
For a long winter's nap  
Last Christmas was great,  
This Christmas is even better  
Instead of worrying about potential infection,  
Our biggest concern is the weather.  
When outside Carrie's room  
There arose such a clatter,  
I sprang from the chair  
To see what was the matter.  
Away to her room  
I flew like a flash,  
Pushed open her door  
Trying hard not to crash.  
A huge glow of maroon  
Colored the new-fallen snow  
Giving comfort to parents  
And magic to children below.  
When, what to my wondering eyes should appear,  
But men in funny looking hats pulled by eight tiny  
reindeer, With a little old driver,  
So lively and ornate,  
I knew in a moment,  
It must be the Imperial Potentate.

"Now Shriners! Now Doctors!  
Now Nurses and Prosthetics! LISTEN;  
Know that this is Carrie's house  
Her indomitable spirit will forever glisten!  
To the top of the porch!  
To the top of the wall!  
Let it always be remembered,  
We gave her OUR ALL!"s  
As dry leave thats before  
All the challenging medical conditions fly,  
When they meet with an obstacle,  
The limit is but THE SKY,  
So up to the house top  
The Shriners they flew  
With a sleigh full of compassion,  
And yes ... PASSION too!  
And then, in a twinkling,  
I heard on the roof  
The Prancing and pawing  
Of each little hoof.  
As I drew in my hand,  
And was turning around  
Down the chimney the Shriners  
All came ... with a bound.  
They were dressed mostly in maroon,  
From head to foot,  
Their fezzes all tarnished  
With ashes and soot.  
A bundle of extreme sacrifice  
They had flung on their backs  
And they looked ... oh so modest  
As they opened their packs.  
Their eyes ... how the twinkled!  
Their dimples how merry!  
Their cheeks were like roses,  
I doubt Shirley Temple's topped with a cherry!  
Their drool little mouths  
All drawn up like a bow,  
They were blinded by Carrie's smile,

As white as the snow.  
The stump of a pipe  
The Grand Poohbah held tight in his teeth,  
As the smoke it encircled  
His head like a wreath.  
He had a funny looking hat  
And a little round belly,  
That shook, when he laughed  
Like a bowlful of jelly.  
He was happy and grateful,  
A right joy old elf,  
As he stood in Carrie's room  
Looking at all the trophies ... on her shelf.  
He spoke not a word,  
But went straight to his task,  
Giving the ultimate gift of LIFE and LIMB,  
Never a question do they ask,  
Then laying his finger  
Aside of his nose,  
And giving a nod,  
Up the chimney they all rose.  
They spang to their sleigh,  
To the Shriners Team gave a shout,  
"We save Carrie's life,  
NOW SHE'S HELPING US OUT!"  
Then I heard them exclaim,  
As they drove out of site  
"This is why we do what we do,  
Fellow Shriners ...  
REMEMBER THIS NIGHT!"

# CHILDCARE

## Nobles All - Greetings

The finishing touches for the Children's Child Care Holiday Celebration have been completed. The invitations have been mailed and Santa is ready to meet the many children who will be in attendance. I look forward to a combined Christmas Celebration with our Shrine Children, Drivers and the many Child Care volunteers. The event is planned for Sunday, December 5, at the Thunderbowl Arena in Allen Park from 1-4pm. Doing something very different this year, Thunderbowl will set up the alleys with dinosaurs to roll the ball down the alley and bumpers to make sure the ball stays on the alley. The arcade style games will be on free vend for all to enjoy. Santa and Mrs. Claus will make a special trip from the North Pole to visit with our kids.

As the year comes to a close, I want to thank Illustrious Sir Mike Zelmanski for having the faith in me to continue to lead the Child Care Program. During this year of the continued restrictions at our hospitals due to COVID-19 we were for the most part unable to transport our children in the same way we have in the past, I'm proud to say that no child missed a hospital visit due an issue or problem on our part.

As I may not have said it personally to all of you, I want to say thank you to every Noble who has volunteered their time to the Child Care Program. Personal thanks go to Gary Compton who drove the Child Care Coach when called upon to display the Coach for the Fall Ceremonial or to participate in the Coldwater Halloween or Veterans Day Parades.

To the BEST Child Care Coordinator one can ask for, Pam York, thank you for your daily efforts to make sure every child in our program never missed an appointment during the past COVID 19 laden 20 months. The combination of all the pieces of the TEAM continues to make Moslem Shriners the finest transportation unit in all of Shrinedom. From the bottom of my heart – ***THANK YOU, it has been a pleasure again serving as YOUR Director.***

The word Christmas itself carries so much meaning in it. **Each letter carries with itself a lesson to the mankind along with the birth of Jesus.**

Here is a slightly different meaning of the word Christmas which surely suits us a lot in this present scenario...

**C** - Carry a smile everywhere you go. In today's world each one of us is so busy in our own affairs that we are not only hesitant to smile at others but we ourselves have forgotten to smile. This Christmas let us make a sincere attempt to smile more and be cheerful.

**H** - Hold on to our morals. Today all of us are so busy chasing the ladder of glory and fame, that we are ready to compromise on our ethics. This Christmas let us make an attempt to stick on to our morals and values, whatsoever the situation may arise.

**R** - Receive others the way they are. Most of the times we fail to realize that all are not alike and perfect and tend to blame and condemn people who do not fit into our framework. This Christmas let us learn to accept others and acknowledge our differences.

**I** - Inspect one self. We fail to retrospect ourselves and our drawbacks and thereby cause trouble to others. This Christmas let us make an attempt to peep into ourselves and make good those little negativities we carry.

**S** - Share with those in need. Let us make an effort to share with not only people who have lots and can repay us, but with those who cannot repay us.

**T** - Trust in the Almighty. All of us have become so self-sufficient that we fail to seek the assistance of God. And when things crumble in life we lose hope. In this Christmas let us learn to trust in God at all times, good or bad.

**M** - Make genuine relationships. Today all our relationships have become a means to achieve something, the purity and innocence is lost. This Christmas let us learn to value and build true and lasting relationships.

**A** - Add a dash of love in everything you do. This Christmas let us make a strong resolution to carry the essence of love wherever we go and in whatever we do.

**S** - Shine as people of God. In this Christmas let us learn to follow Christ not only in words but also through our deeds and uphold the values of Christ through our life.

**I wish you and yours the Happiest of Holidays.**

Until we meet again.....

Hello Mighty Moslemites!

Where did the time go! Time appears to have been on the fast track since the State Fair. Halloween has come and gone. Apple and pumpkin picking season are nearly at an end. Many friends are already discussing or are making the last-minute preparations for deer camp. As I am writing this, my family and I are already making plans for Thanksgiving and Christmas!

Despite what we have all endured over the last 18 months, we must move on and enjoy life. These are good times to be had, best shared with family and friends. Fall brings about time with family and goodwill towards others. I have often been told that all things are temporary, and pandemics are no exception. On that note, I am excited to see what 2022 brings to all of us and hope it is for the better.

On this day of November 4, 2021, we currently have 1,674 members of the 1,694 we began with this year. Unfortunately, we have lost 44 of our Nobles to travel with the Black Camel. 17 new Nobles have been created, 6 restorations and 1 affiliation have been added for the year. Good active Nobles aren't hard to find. I am sure you know of a man of good nature, accountability and character who can be a fine Shrine Mason. If you see one, get him to join!

Nobles, it is my duty to inform you to look into renewing your memberships for 2022. Your commitment to your temple not only ensures its existence, but ultimately pledges you to our core philanthropy, "Shriner's Hospitals for Children". What better way to rejuvenate your Christmas Spirit than to renew! Non Payment of Dues, are one of the leading causes of losses within Shrine membership and is one of the easiest to avoid. Please make your arrangements, online, by phone or in person.

Merry Christmas and Happy New Year to you All!

## My Old Red Fez

My old red Fez has faded a bit,  
But that hasn't dimmed my love for it;  
for into that bit of old headgear are woven the friendships of many a year.  
It knows the touch of a friendly hand,  
and symbolizes....you'll understand....  
All things I found both good and fine in my happy days with the mystic Shrine.  
My old red Fez has faded a bit; But I'm still mighty proud of it;  
Proud of all for which it stands, the loyal hearts , the willing hands;  
Ready always to do their best and meet with courage every test;  
Proud of the memories that are mine of Noble Friends of the Mystic Shrine.  
My old red Fez has faded a bit;  
and someday I'll take leave of it,  
But not without a friendly smile,  
for it has been mine for a long, long while.  
So, here's to the red Fez and all those who have worn it;  
May love and loyalty ever adorn it.  
May the sun of good fellowship eternally shine in the hearts of the men of the mystic Shrine.

### \*\*\*IMPORTANT NEWS REGARDING THE WINTER SPORTSMAN'S RAFFLE\*\*\*

The **2022 Annual Shriners Winter Sportsman's Raffle** is back and will be held on Saturday, January 29<sup>th</sup> at the Suburban Collection Showplace in Novi.

The **Stocking Stuffer Special** is available now if you buy online at [www.shrineoutdoors.com](http://www.shrineoutdoors.com) or visit the Shrine office in person only. Purchase a full book of 3 Main tickets with Seller's ticket and receive a 4<sup>th</sup> Main Raffle ticket absolutely free of charge! This special offer will expire at noon on Sunday, December 12, 2021. Previous ticket purchases excluded.

#### Note:

It's been a difficult year for everyone. There have been shortages of everything from cars to food to employees. The firearm industry is no different. Shortages of firearms and ammunition have been prevalent across the country and Bass Pro Shops has had a hard time staffing their counters with qualified sales staff. As a result, the fill rate of winner's certificates was at an all-time low and customer service at Bass Pro Shops was less than desirable for our last raffle.

To help alleviate the problem, the prizes were ordered 3 months earlier than usual and the following verbiage will be written on the actual winner's certificate:

**\*If the firearm won is not available at Bass Pro Shops, a firearm of equal or higher (within reason) MSRP may be substituted if approved by the winner. If the winner would like the firearm listed on this certificate and it isn't in stock, the winner will be referred directly to Roy McBurney, Group Sales Manager and may have an option to wait until the firearm is back in stock.**

**\*If the winner does not want the firearm won, he/she may take a gift card for the price paid by the Shriners for the firearm.**

**\*Winner is encouraged to call Bass Pro Shops before going to the store to inquire if the firearm is in stock to avoid an unnecessary trip to the store.**

Thank you for your continued understanding and support. Please call the Shrine office at 248-569-2900 with questions regarding the **2022 Annual Shriners Winter Sportsman's Raffle**.
