MESSAGE FROM OUR POTENTATE

April, the time of spring, the time of new beginnings. This month Moslem will be going through its own springtime. We will close on the Southfield building sale and continue our search for a new building since the purchase of the Waterford building didn't materialize. This is still an opportunity for a renewal of sorts for our Temple. At some point, the new building we hope for will be a better financial model for our fraternity. Meanwhile, we will maintain a presence in the fraternal end of the Southfield building.

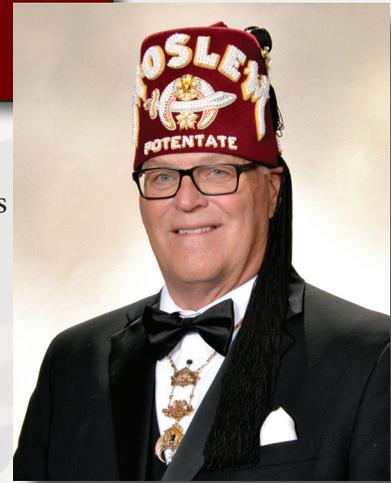

Renewal requires that we open ourselves up to new ways of thinking and feeling. Shrine Temples across the country that are growing are folding in more family events and having a way to cater to the family while adult events are going on. We must do the same by engaging the Nobles and families. Our Masonic values teach us that family comes first above all and we must embrace that concept or we will fizzle out.

Coming up quickly (June 5th) is the rescheduled Winter Sportsman's Raffle. A temporary name change to Shriner's ~~Winter~~ Novi Raffle to promote the interim event. Because the interim Novi event is so close to the normal date of our Summer Raffle, it too will need to be temporarily postponed this year. The ~~Winter~~ Novi Sportsman's Raffle will be our first guaranteed fundraiser this year and will be held 4 months later than normal. Whether it's open fully, at 50% capacity or virtual, it's imperative that we all do the best we can to make it successful.

Lady Di's Diamond Raffle tickets are still available online and by calling the Shrine Center. The prize is a 7 carat diamond, white gold tennis bracelet valued at over \$13K. Tickets are \$10 each or 3 for \$20. Please volunteer to sell tickets for this beautiful bracelet by calling the Shrine center.

Lady Di and I are looking forward to events at the Shrine center start open up soon so we can see our Shrine family again.

"If we had no winter the spring would not be so pleasant: if we did not sometimes taste of adversity, prosperity would not be so welcome." — Anne Bradstreet

**Mike Zelmanski
Potentate**

Chief Rabban Tim with Lady Sue and Potentate Mike with First Lady Di visited Zenobia Shrine to help support them at their first ever meat raffle. Both couples won their share of meat. Lady Di won the 50/50 and donated some of the money back. Zenobia got the idea of a meat raffle after attending a couple of Moslem's events.

Potentate Mike Zelmanski and Chief Rabban Tim Lancaster with Zenobia Potentate Issac Demarest after a successful event.

MESSAGE FROM OUR CHIEF RABBAN

CHANGE IS INEVITABLE

Many of us just aren't comfortable with change as it doesn't seem natural at times. It can take us out of our comfort zones. The political climate is a perfect example of change. This kind of change might be agreeable to perhaps 51% of the population. One might suggest - "Gee whiz, they never asked me how I felt about making a change!" But here we are. The changes we are facing as Shriners are quite significant.

I personally never thought Shriners Hospital for Children in Cincinnati would move to Dayton, downsize and change its name to "Shriners Children's Ohio". The ceremonial ribbon cutting will occur on the March 19th in Dayton, but technically they are operational as of this article dated February 22, 2021. This has been well over two years in the making. This kind of change was absolutely necessary for the survival of the Shriners Hospital system. In the final analysis, this change will result in a much more efficient model. The creative juices have been flowing and, in the process, have produced a "hospital within a hospital" - a joint venture with Dayton Childrens Hospital. Shriners International and the Shriners International Hospital Board have a goal to treat more children in more places. Shriners Children's Ohio will serve as a model for future changes to the Shriners Hospital system.

Tim Lancaster
Chief Rabban

Moslem Shriners are looking forward to Divan Days in August. Our Divan encourages as many members as possible to attend this two-day event and see for themselves how your hospitals continue to make strides and advances in areas such as pediatric burns and facial reconstruction. Miracles occur on a daily basis. You can experience these incredible outcomes at Divan Days on August 27 and 28. Look for more complete information to follow in the coming months.

This leads us to another change. Moslem Shrine is changing its location. This is a huge change. If we are to survive as the Moslem Shrine fraternity, this change is not only necessary but imperative. Not everyone is happy with this change, and we get that. If all things happen according to schedule, this move will result in a more fiscally sound position for the Moslem Shrine. The building and its environs lend itself to what our fraternity and membership deserve - a home we can all be proud to say is our own. It is my belief this change will bring the Moslem Shrine members and families closer together.

Tim Lancaster, Chief Rabban

Shriners Childrens, Ohio

MESSAGE FROM OUR ASSISTANT RABBAN

Hello Nobles,

Parades

We have already been informed that our first three parades have already been canceled Lincoln Park, Sterling Hgts and Belleville.

At this point Wyandotte July 4th will be the first parade we will be attending in 2021.

GLSA

GLSA will be hosted by Medinha Shrine in the Chicago Area. The event HQ will be located at Eagle Wood Resort in Itasca Ill.

The dates will be September 15 to the 19th 2021

PP Charlie Ferguson asked that as many of us attend as possible, as Moslem will be Hosting GLSA next year in the Ann Arbor area. We need to show our support so we can have a great turnout next year.

MESSAGE FROM OUR ORIENTAL GUIDE

Shrine History

Have you ever wondered where our Shriners' logos originate? Over the years we have several but one of the original logos has an interesting story. One of the early logos comes from a photo known as the "Editorial Without Words". It is one of the Shriners' most recognizable images. It was taken almost by accident, 50 years ago, on June 11, 1970, in Evansville, Indiana. This special moment, captured for all time, illustrates the relationship between the Shriners fraternity and Shriners Hospitals for Children.

Marty Opeth
Oriental Guide

The Hadi Shriners were celebrating their annual summer picnic at Mesker Park. Patients were invited to enjoy a day of food, fun and carnival rides. Toward the end of the day, Shriner Al Hortman, who became a Shriner after his daughter, Laura, was treated at Shriners Hospitals for Children, noticed a young girl who needed help. Noble Hortman lifted Bobbi Jo Wright and her crutches and carried her from ride to ride. Press photographer Randy Dieter captured the photo with a long lens as the two walked past him.

Today, Bobbi Jo still lives in Evansville, Indiana and is active in her church. She spends much time and energy traveling and speaking on behalf of Shriners Hospitals for Children, and meeting and encouraging other patients and families.

Moslems Shriners Office Staff

Fraternal greetings Nobles. Hope this article finds you and yours safe and well.

I would like to take this opportunity to introduce you to Moslem Shriners' office staff who keep the office running at a very high level. I proud to say that when I attend the annual Recorders Seminars there are a number of Recorders from other Shrine Centers that come up to me and ask how one or more of the office ladies are. Then proceed to tell me how one or more of our ladies have helped their office staff with child care items, IT questions and/or accounting issues.

Mrs. Pam York – If you have been a Shriner even for a short time, you know Mrs. Pam York, Child Care Transportation Coordinator. When you say Moslem Shriners, I believe most persons think of Mrs. Pam York first and the Potentate second. To many Mrs. Pam York is the face of Moslem Shriners. Many Nobles don't know that not only does Mrs. Pam York coordinate transportation for patients to Moslem's three medical centers, Chicago, Dayton and Erie, but Moslem Shriners also has patients at St. Louis, Boston, Philadelphia, and Montreal, Canada. Besides the Moslem's jurisdiction, we have patients all over Michigan.

Where her desk is she likes to call that area the Kids Korner. When the pandemic hit a year ago, she can honestly say she was not sure she could continue to get "her" kiddos to their appointments. So many things were changing and changing rapidly. Instantly she reached out to Moslem's Child Care Director Illustrious Sir Robert O'Brien, PP, who reminded her that this is only a bump in the road and together we will get over this bump. Mrs. York is proud to say no appointments were missed, except for cancellation by the hospitals.

Mrs. York always tell people she raised 3 children of her own and gained 1,300 and so proud of each and every one of them.

Mrs. Lynnette Hyde – Mrs. Hyde is the newest asset to the Shrine office and we are thankful (and fortunate) to have her as part of the team. Mrs. Lynnette Hyde comes to Moslem Shriners by the way of Campbell Ewald Advertising. Many of you will recognize that firm as the firm who handled the advertising for the Chevrolet Division of General Motors for so many years with some of the best ads. While at Campbell Ewald Mrs. Hyde worked in payroll and IT.

For Moslem Shriners Mrs. Lynnette Hyde works in Guest Relations with Nobles and their ladies to process Nobles' dues, tickets, shirt orders, reservations and much more. Mrs. Lynnette Hyde is our go to person when the staff has computer program or IT issue(s).

Mrs. Lynnette Hyde is married to her husband Paul. Together they have 2 adult children; Alex and Rachel, along with collies Mia and Hudson.

In her time away from the Shrine she enjoys gardening and antiques. The Hyde family is a model train family, especially Paul and Alex. The train layout takes up the basement with items let over.

Mrs. Kim Belanger – Mrs. Belanger operates Moslem's Accounting Department since 2016. Mrs. Belanger has 38 years work experience with a variety of companies – Public CPA firms, advertising companies, private holding companies and 17 years with an investment group with multiple entities in their portfolio up until the Shriners purchased the Clawson garage and asked her join the Shriners at the Southfield facility – the first time she has worked for a fraternal organization. Mrs. Belanger attended Oakland Community College.

Mrs. Kim Belanger has been married to her husband Todd for 36 years come this November. They have 3 adult children, Joshua (Nicole) with grandsons Elijah (3) and baby Dave (7 months), Ryan (Samantha) with grandson Brayden (5) and daughter Sarah.

When Mrs. Belanger started working for the Shrine, then Treasurer Dr. Fred Jex gave Mrs. Belanger a button that said "Accounting is Fun" and she agrees with that statement. Mrs. Belanger enjoys keeping our fundraisers and Shrine events in order and working with our feztastic volunteers is a bonus and always a pleasure.

Mrs. Belanger was especially proud to work with the Shriners when the Shriners helped with the Lucky Fin Project in 2019 – to see the support of her co-workers, the Divan, Clowns, and the DeMolay boys made her heart so happy as this organization is very dear to her family.

Away from the Shrine Mrs. Belanger learned how to ride a dirt bike when her sons were small and they love trail riding together as a family. Mrs. Belanger raced the amateur event at the Pontiac Silverdome the day after the pros came to town, placing 4th in the Women's Class and also earned a first place trophy racing in Canada. Passing her motorcycle driving test felt like a huge accomplishment. A few years later they purchased a side-by-side and traveled to the tip top of American Flag Mountain in Colorado and she can't wait to repeat that trip. Mrs. Belanger also has a passion for convertible Mustangs and keeps telling her husband it's not just a ride but an adventure and she loves adventures!

Well Nobles this is my staff and yours. A tip of the fez to the ladies in the office.

Yours in the Faith,

Robert Pate, PP

A Message from Membership

Hello Mighty Moslemites!

After what seems to have been a long, cold, grueling winter, Spring is finally here! Time to open windows, get a good stretch and begin enjoying those outdoor activities. It is a time of renewal, growth and progress. The beginning of new ideas to be planned, worked upon and harvested for the future. Moslem has long endured its "winter", it is now time to take our plans and put them to action.

There is some excitement in the air with the pending deals of the temple of old being replaced with a new home for us Moslemites. Personally, I will miss our old home and the many fond memories of the many events my Lady Dawn and I have attended and enjoyed. However, I have learned all too often that all things are temporary. I have viewed the potential new temple location in person and can state that seeing is believing. It is a beautiful site with many attributes that can contribute to our members for many years. Although we may be downsizing a bit, we are indeed upgrading if the deal falls through.

On this day of February 23, 2021 we currently have 1,687 members of the 1,694 we began with this year. Unfortunately, we have lost 8 of our Nobles to travel with the Black Camel. 2 new Nobles have been created and 1 restoration has been added for the year. We are currently looking for petitions to join the Shrine. For those Nobles who have created this success, please accept our humble thanks for helping to improve our temple one Brother at a time.

Fellow Shriners, please know that those members in arrears on their dues are not permitted to participate in Shrine events until they are current. This includes the upcoming business meeting and elections. Non Payment of Dues, (NPD's), are one of the leading sources of losses within Shrine membership and is one of the easiest to avoid. Simply look at your card to see if it is current and call our Shrine Office to make the arrangements for payment if necessary. I can assure you that our Illustrious Recorder Bob Pate will treat each case with respect and empathy and has been instrumental in his commitment to retain and restore members.

Fraternally Yours,
Noble Rick Gaines
Moslem Temple
Membership Committee Chairman
GLSCUA President
shrinergaines@yahoo.com

Shriners Hospitals for Children in St. Louis

An investigation led by Farshid Guilak, Ph.D., director of the St. Louis Shriners Hospital Research Center reveals a new link to arthritis. Dr. Farshid Guilak came from Duke University to St. Louis five and a half years ago to be the director of research at Shriners Hospitals for Children in St. Louis. That decision would eventually lead to a breakthrough in the cause and treatment of arthritis, a painful joint condition that affects more than 54 million people in the US annually.

A new study suggests the damaging effects of obesity are not due to body weight but rather come from something much smaller, biochemical signals released by fat cells.

The study focuses on the link between overweight or obesity and the development of osteoarthritis, a painful disease of the joints.

Dr. Guilak said, "We've shown here that it's not overloading of the joints that is responsible for osteoarthritis, but, more likely, a factor given off by fat cells that makes cartilage susceptible to degeneration,"

While historically regarded as an unavoidable part of aging, osteoarthritis is now appearing more commonly in children. This is due in part to widespread increases in childhood obesity, coupled with injuries that commonly occur in adolescents, such as knee ligament tears. Little scientific research had been done in the past on the connection between obesity and osteoarthritis because, Guilak said, it was simply dismissed as a byproduct of overloading the joints with increased body weight. But the new study by investigators at the St. Louis Shriners Hospital and the Washington University School of Medicine shows that weight gain alone isn't the cause.

The researchers used a unique type of mouse that has no fat cells anywhere in their bodies. Even when they were fed an unhealthy, extremely high-fat diet, these mice did not develop osteoarthritis in any of their joints. The researchers were surprised to find that even with a knee injury that normally causes rapid degeneration of the cartilage, fat-free mice were protected from getting osteoarthritis.

Then, the researchers implanted a tiny piece of fat under the skin of these mice, so small it had no effect on their body weight. The mice became susceptible to osteoarthritis, even though there was no weight gain. This showed researchers that fat outside the knee joint plays a critical role in cartilage health.

A study was published in the journal *Proceedings of the National Academy of Sciences*. It was designed and executed by the lead author Kelsey Collins, Ph.D., a postdoctoral fellow in Guilak's laboratory.

"This study demonstrates that factors outside of the knee joint can affect cartilage health, which opens the door for a wide range of new osteoarthritis treatment targets we can investigate," Collins said. "Once we identify the factors given off by fat cells that are responsible for these effects on the joint, we hope to develop new drugs to target them."

Although it could take years to develop a cure, the Shriner team of doctors are making great strides for reducing joint damage for children and adults. We praise them all for their fantastic determination and skill. Thank you Dr. Guilak and the team at Shriners Hospitals for Children in St. Louis.

“Maybe. Maybe Not”

There is a story from days gone by about a farmer whose horse had run off just as harvest was beginning. That evening, when news had spread through the village his neighbors came around to express their condolences. “How terrible for you,” they said.

“Maybe. Maybe not,” the old farmer said.

The next day as he was tending his fields, he spotted his horse on the horizon coming back toward the village. Following it were seven other wild horses.

Again, the news spread throughout the village. The neighbors again stopped by, this time to celebrate his luck.

“How fortunate you are,” they said.

“Maybe. Maybe not,” the old farmer said again.

The following day, the farmer’s son was attempting to break one of the new stallions. The wild horse bucked him off. When he was thrown from the horse, he broke his leg.

The neighbors, as neighbors do, came to visit again. They all expressed their sympathy. After all, losing one of your best workers at harvest time was a terrible misfortune.

“Maybe. Maybe not,” said the farmer.

The very next day, the army passed through the village drafting all of the able bodied men for military service. The farmer’s son was exempted because of the injury he had sustained.

In the midst of the never ending crisis that we are enduring and have endured these past 12 months, we can be tempted to look at the dark side of things, it is difficult to see the positive in times of strife. It is easier to take stock of life as we know it today in terms of what we no longer have or what we can no longer do. By design we are creatures of comfort and habit and for the most part those things were taken from us in one form or another.

As Shrine/Masons, we have not been together in fellowship which takes a huge toll on one’s mental state of mind. With Child Care, we have not been able to do what we do best and that is transport our Shrine Kids to the hospitals for treatment. Again, doing what we do best, we found alternative methods of transportation. Whether by train to Chicago, personal transportation to Chicago, Cincinnati and Erie or air flights to Philadelphia, our kids continued to be seen at regularly scheduled visits and treated.

Doctors are now communicating directly with patients and parents via email and virtually by Zoom. CT Scans and MRI’s are being done locally with the CD images being emailed to the Doctors for evaluation. As we move forward with the **World’s Greatest Philanthropy, Shriners Hospitals for Children**, nothing will stop what we need to do.

With Child Care, there is no maybe about it!

Until we meet again.....

Bob O’Brien, Past Potentate
Child Care Director
Shriners Children’s – Ohio – Board Member

SHRINE LANCERS

Hello to all Lancers and families!

I hope that you are all doing well during these difficult and uncertain times. By the time you read this article, a lot has gone on in the world. Vaccines are being administered, we have a new President and Vice President, and we hopefully have warmer weather just around the corner.

We have endured a great loss to the Lancers as the start of 2021 began. Our Director Emeritus, David Talbot Sr., has gone to see the supreme architect of the universe. This is a huge loss to the Lancers and all that knew and loved Dave. His passion for the Lancers was beyond questionable. Dave loved the Lancers and what we stand for. He was dedicated 110% to the unit and all of the members in the unit. He went above and beyond countless times over the years to help any Lancer, to work tickets sales, to fix cars, to do parades and Shrine functions, to pick up, set up, work and tear down Lancer equipment whenever and wherever it was needed, and to work any and all Shrine functions (especially the circus) The hours and years that he put in for the Shrine is well beyond the average Shriner, and for that, we will always remember and thank him.

Below is a biography of who Dave was and what his life was about. He will be forever missed and always remembered as our Director Emeritus in the Lancers. His smile, sense of humor, and friendship will forever live in our hearts. On behalf of all the Lancers, we extend our deepest and most heartfelt condolences to Blanche and his family. God speed my friend!

David Lee Talbot, Sr. of Clawson, MI passed away Saturday, January 23, 2021 at Beaumont Hospital in Royal Oak at age 69. He was born May 14, 1951 in Berlin, Germany to Robert and Ernestine Talbot.

Mr. Talbot proudly served four years in the Army during Vietnam with duty in West Germany and was honorably discharged March 28, 1974 at rank SP5. He was a 33rd Degree Mason with the Center Line Lodge #550 F&AM. He was Director Emeritus for the Shrine Lancers. His family recalled his love and joy for attending his kid's activities, genealogy, hunting, fishing, and NASCAR.

David is survived by his beloved wife of 50 years, Blanche Charmaine, whom he married on August 22, 1970 in Big Rock, Illinois; three children, David Lee (Sue) Talbot, Jr., James Wesley (Martine) Talbot and Tina Marie (Nicholas Sr.) Rossow; two grandchildren, Nicholas Jr. and Olivia Rossow; his mother, Ernestine Griffen; a sister, Elizabeth (Dennis) Lawrence and many nieces and nephews. He is preceded in death by his father, Robert Lee Talbot Sr.; brother, Robert Lee Talbot, Jr. and a sister, Tara Talbot.

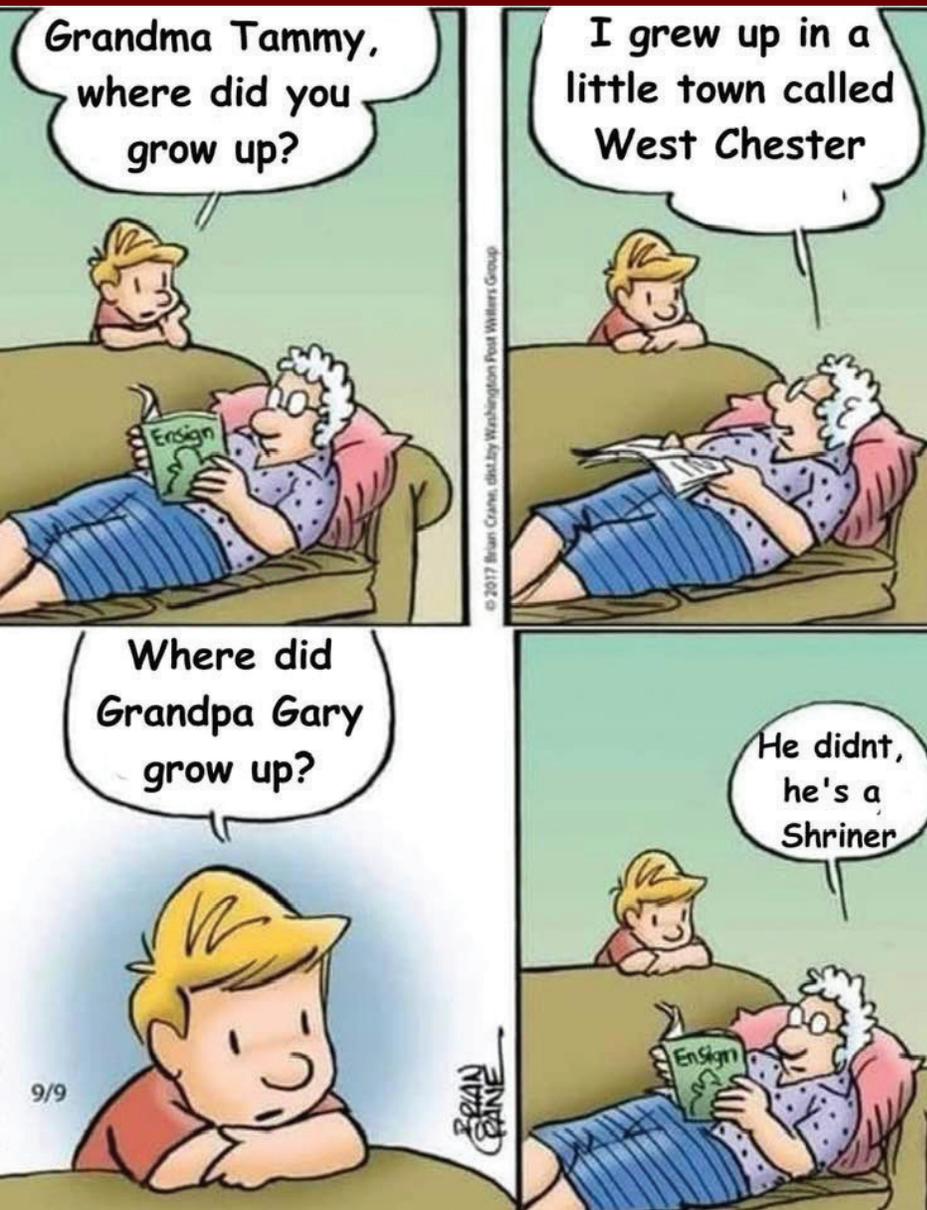

Rest in peace brother Dave.

Until next time, keep your engines runnin and be safe.

Todd Wyber

A FUN JOKE FROM YOUR POTENTATE :)

JUST BELONG

Are you an active member
the kind that would be missed
or are you just contented
that your name is on the list?

Do you attend the meetings
and mingle with the flock
or do you stay at home
and criticize and knock?

Do you take an active part
to help the work along
are you satisfied to be
the kind that "JUST BELONG"?

Do you ever go and visit
a member that is sick
or leave the work to a few
and talk about the clique?

Think this over, Brother,
you know right from wrong
are you an active member
or do you "JUST BELONG"?

Refer a Shriner today!

TAPROOM NO. 1

Taproom 1 will be having a mini pub crawl in Frankenmuth on Sunday, September 26th! We will be having a combined outing with the new Fez on Wheels Camping Club and as a bonus, it also falls in line with our LOS Ladies own Great Lakes Unit Meet (GLUM). So, plan on coming up for the day (or longer) and have some fun. There will be a lot more info coming out later but I wanted to get this on everyone's calendar now. Hopefully, we should be having some outings prior to this, but it depends on the Covid situation.

For those going to the Imperial Session this year in Houston, TX, there will be a party for the Nobility and Ladies on Sunday, July 4th from 6 to 9pm. All 44 Taprooms along with many of the local breweries in the Houston area, have been invited to set up stands and provide those in attendance with samples of their goods. Taproom 1 will be out in front of this event and it is guaranteed to be a blowout.

In addition, the International Association of Shrine Taprooms is set to be approved in Houston! Our bylaws have been fully approved by Imperial and the charter Officers of the Association being as follows: President – Jeff Geske (Taproom 1), 1st Vice President – Scottie Cox (Taproom 16), 2nd Vice-President – Rob Schoonmaker (Taproom 15), 3rd Vice President – Jeff Zesch (Taproom 25), Treasurer / Secretary – Ryan Stanley (Taproom 4). This will be the Shrines newest Association and is already on track to be the best!

We will also be offering shirts, jackets, hats, etc. for Taproom 1 and for the International Association of Shrine Taprooms. With the “old” Taproom shirts no longer available, we are in the process of selecting new ones and samples will be available to see in the next month or so. For the Association, the plan is to have the Association logo on the back with the Taproom logo on the front. Once details are finalized further communication will go out.
