MESSAGE FROM OUR POTENTATE

Moslem Shriners have been active this summer!

The Summer picnic on the grounds of the Shrine Center was attended by over 150 Nobles and their families. The food prepared by the Hungry-Five was the perfect summer picnic cuisine! Everyone in attendance enjoyed the gathering very much. Further Congratulations is due to the Hungry-Five as they again spent an entire day feeding hundreds of Livonia Police, Fire and First responders. This is incredible public service work! A tip of the Fez to your dedicated volunteers!

**Tim Lancaster
Potentate**

The Michigan State Fair was a remarkable success this year due to the demanding work and dedication of our Nobility who volunteered their time and sacrificed their long weekend to be in Novi. Moslem's Circus Chairman, Craig Stigleman, and his Circus Directors, John Nagoda and Joe Kish spent countless hours making certain things went smoothly for the 5 days of performances. Our Volunteers and their ladies were stunning! As always, our clowns worked ever so hard, putting smiles on the children's faces.

The annual Child Care Golf outing generated contributions of more than \$3,800 in revenue for Dayton Children's Ohio. Nobles Bob Peterson and Robin Handleman and their staff of volunteers did an outstanding job.

CD sales for our concert series for Shriners Children's Hospitals have been fun and phenomenally successful! Scott and Pam Clark and Roy Andersen together with scores of Moslem volunteers made certain these fund raisers went smoothly. Nobles Troy Thompson and Marty Sheedy, members and former patients represented Moslem as Patient Ambassadors. These folks make us proud!

Those who traveled to Dayton for the Milestone celebration came away with a new perspective on the state of Shriners Hospitals and the amazing care administered by our Doctors and Nurses! Advances in care are stunning and life changing.

The Virtual Summer Sportsman's Raffle was a successful fundraiser. Again, Noble Mike Zelmanski, PP along with his Lady Diane together with Divan and their ladies made the event run smoothly!

This is just a sampling of some of the activities that happened over Summer and as you can see, Moslem Shriners are the best and most generous volunteers with their time!

It has been a great Summer!

Thank you all for the wonderful fellowship and memories!

Tim Lancaster, Potentate – Moslem Shriners

MESSAGE FROM OUR CHIEF RABBAN

Hello All

Wow the state fair was busy at the time of this writing the gate receipts were not in yet for this great event, we had 3 days of hot weather and 2 days of overcast but the crowds seemed to be ok on the cloudy days. I don't think we will be disappointed when the totals come in. Thanks to all who came and helped over the holiday weekend.

Many people have been asking about 2023 events if I or lady Jan have any ideas as of yet, # 1 is installation of officers on January 8th at the Surburban collection in Novi that date is in the books.

The all-units party is in the books it's on December 2nd at Penna's

Imperial will be in Charlotte NC with us staying at the Omni Hotel in downtown Charlotte the 1st part of July those of you that like Pools you will love this venue LOL.

East/West game is early February in Las Vegas Nevada

GLSA is in September which will be in Evansville Indiana at Bally's casino

The 2023 team are working on air/hotel, bus/hotel packages for all these events

The team has been talking about an event called ST Practice Day it would be on the Saturday before St Pats as of this writing we have not located a venue that would serve Moslems needs.

I have sent out notes to Moslems various groups on their activities men's and women's both so their event dates can be put in the 2023 calendar.

I would like to thank ILL Sir Tim Lancaster for permission to let me talk a little about 2023.

To Quote Walt Disney

(The way to get started is to quit talking and begin doing)

The 2023 team is doing just that.

Thank You

Dear Noble,

The responsibilities of Membership is not just bringing in new members, but retaining the amazing Nobles we have!

I sincerely hope that every Noble is getting the Shriner experience that they desire. I am always in awe when I talk to a fellow Noble and they have found "The Thing" that they do, and do it well. From Child Care Transportation to Security to our Ambassadors, and on and on. There are so many places where help is needed. If there is a place for you, and you are not being utilized, please reach out!! Noble, we need to get you involved!!

We can all agree that we are a member of the greatest philanthropy in the world. A small part of each of our dues is for the Children's Hospital. We are all stakeholders in our Children's Hospital System.

Sadly, we have a very large number of members (>100) who have fallen behind, mainly during Covid, on their dues. And I am sorry to report, this is now at a crisis level. If these Nobles do not make arrangements for these back dues, then Moslem is looking at an approximate 100 member drop in our membership in December of 2022.

We do not want to lose any members!!

We do have a Membership Committee, and also the Divan, reaching out to members who are behind in their dues. We are seeing how the member is doing and letting him know the situation on his dues. Then giving information so the member can take care of the situation. Many thanks to these Nobles for taking on this difficult, but important task.

If you are behind in your dues, please reach out, and we will assist in any way possible.

On the growth front, Membership had a booth at the Michigan State Fair and we had a Raffle for a Portable Speaker. It was a nice Icebreaker to get to talk to people as they walked by.

We got 194 people (both men and women) who filled out raffle tickets in total. Of these, 7 Raffle Tickets were from Masons who want to be Shriners. And 17 Raffle Tickets were from men who are not Masons, but wants to become a Shriner. These names were passed on to Grand Lodge.

Many thanks to the Nobles who volunteered at the Membership Booth!!

To date we have 20 new Nobles for 2022, with many of the new Nobles of 2022 participating in the Fall Ceremonial in Ann Arbor. These are a great group of guys, and many are already finding Units, and making a difference.

Lastly, we are always looking for Nobles to join the Membership Committee, we always have things coming up in the future that we will need many hands for. Please contact me if you can join the Team.

Thank you!

WOMEN IMPACTING CARE

SUPPORTING SHRINERS CHILDREN'S™

FIRST LADY JENNIFER "JJ" CRAVEN
CHAIR FOR 2022-2023

Women Impacting Care, chaired by Shriners International's First Lady Jennifer Craven, is an annual program dedicated to supporting Shriners Children's mission to change and improve lives. This year's emphasis focuses on the extraordinary care Shriners Children's offers for pediatric sports-related injuries by bringing awareness of the sports-related conditions treated and by helping potential patients and families learn how to access this care. The inspiring message, *The World is Your Oyster*, shows how our patients' grit and determination come together with the expertise of our healthcare specialists to overcome challenges and create endless possibilities for success and recovery.

HELP FOR SPORTS INJURIES

Many young people participate in sports-related endeavors, from team sports to individual activities, and unfortunately, sometimes injuries result. Whether they occur on the playing field or on the playground, those injuries need to be treated differently from similar injuries in adults. The medical teams at Shriners Children's are especially attuned to an athlete's concerns, as well as the differences between an adult's body and that of a young, still-growing athlete.

"Everyone enjoys sports," Lady JJ said. "That commonality of sports puts all of us on the same team. We can all relate to that kind of injury, often unexpected. And to know that world-class pediatric care is available from Shriners Children's is such a comfort to families."

Shriners Children's is one of the largest networks of hospitals, medical centers and outpatient facilities in North America that specializes in pediatric orthopedics, giving us a truly unique vantage point when it comes to evaluating and treating pediatric sports injuries.

CUSTOM CARE PLANS

Shriners Children's offers care for broken bones, sprains, strains, twists, tears and more. From fracture care and casting to surgery and rehabilitation for injuries involving ligaments, tendons, joints and tissues, our medical teams design custom care plans that are complemented by our physical, occupational and recreational therapy programs. Families appreciate the convenience of a single source for treatment, and children benefit from the continuity of care and collaboration.

"What makes our healthcare system distinct compared to other traditional sports injury specialists is our innovative and comprehensive treatment options centering around each patient's individual needs and goals," Lady JJ said.

Shriners Children's integrates the latest technology to help patients, from EOS imaging systems that emit much less radiation than standard X-rays or CT scans to sophisticated motion analysis that provides information about a patient's needs and progress.

Sometimes young athletes are wary of seeking treatment for pain or injuries, because they are afraid they won't be allowed to play. However, surgery and long recovery times are not always necessary. And when surgery is the best or only option, our clinical teams understand what an athlete is facing and work as a team to get them back in competing shape as quickly and safely as possible.

"Patients and their families often look to community pediatricians and specialists when injuries occur," Lady JJ said. "However, I want them to know that amazing, family-centered care is available at Shriners Children's. All they have to do is call toll-free, **1-800-235-5055** or visit **shrinerschildrens.org**."

THE WORLD IS YOUR OYSTER

First Lady JJ invites you to join her in making an impact in the lives of our patients. Donors who would like to support Women Impacting Care may purchase symbolic *The World is Your Oyster* products or make donations online.

Thank you for your compassion, generosity and support of Shriners Children's.
