ASK A DIVAN MEMBER

- **Question:** When are our 2024 dues due by?

Recorder Ill. Sir Bob Pate responds: "Dues notifications are always sent out several months in advance and are always due by the first of January."

- **Question:** Why did Moslem raise our dues by \$20.00?

Assistant Rabban Gary Lewandowski responds: "During the 2023 Imperial session a dues increase of \$30.00 was proposed but the delegation voted that increase down. Then a \$20.00 dues increase was proposed, and that increase was approved. Therefore, it was the Imperial Shrine who raised the dues and not Moslem, and all Shrine Temples will realize that \$20.00 increase, but the extra \$\$ does not go to Moslem Shrine, it goes to Shriners International to run their operation."

MESSAGE FROM OUR CHIEF RABBAN

Greetings Nobles

I hope this letter finds you in good health and high spirits. I am writing to express my deep appreciation for the overwhelming support by the Nobles to move forward with the prospect of purchasing a building. At the Stated meeting on September 18, 2023, Moslem Shriners, Mike Zelmanski's presentation was organized and to the point. He emphasized the significance of establishing a fraternal home for the Moslem Shriners. As concerned individuals who recognize the importance of fostering a sense of belonging and unity within a community, I firmly agree with your decision and believe that a dedicated space for the Moslem Shriners is crucial for the continued growth and well-being of the organization and its members.

The Moslem Shriners have long been an integral part of our society, embodying the principles of brotherhood, service, and philanthropy. By providing medical support for children in need, organizing community events, and promoting social welfare initiatives, Moslem Shriners have made a lasting impact on countless lives. However, amidst these commendable endeavors, the absence of a fraternal home poses challenges that hinder the organization's overall effectiveness and cohesiveness.

A fraternal home acts as a physical embodiment of the Moslem Shriners' values and ideals. It serves as a central hub where members can gather, connect, and collaborate on initiatives that further their charitable objectives. Having a dedicated space would foster stronger bonds among the members, enabling them to share experiences, exchange ideas, and develop friendships that transcend the confines of their regular meetings and events.

As we move forward, you will be notified of the date and time that all Nobles will be invited to inspect the property and then if all is in order vote on the purchase.

While I understand that the acquisition and maintenance of a fraternal home involve financial considerations, I am confident that the collective efforts of the Moslem Shriners community, along with fundraising events, the necessary resources can be secured to establish and sustain a fraternal home that is befitting of the Moslem Shriners' esteemed legacy.

In conclusion, I urge you to seriously consider the importance of a fraternal home for the Moslem Shriners. Such a home would not only provide a physical space for the organization but also serve as a beacon of unity and a catalyst for positive change. By investing in this endeavor, the Moslem Shriners can continue to flourish, expand their outreach, and inspire future generations to embrace the values of brotherhood, compassion, and service to our children

Thank you for your attention to this matter. I remain committed to supporting Moslem Shriners and look forward to witnessing the growth and success of the organization.

Sincerely,
Tommy Thompson

MESSAGE FROM OUR ASSISTANT RABBAN

Nobles all,

As we are entering into the Fall of 2023, I can honestly say it's been a very fast and interesting year with many changes both successful and uplifting... giving this Noble a very good feeling about the focus and direction we're heading in.

Coming off the recent (and VERY successful) State Fair / Shrine Circus and having myself been there all 5 days and all 20 shows, I can't express enough how impressed I was by all the Nobles and Ladies who unselfishly volunteered their time, energy, and hearts into making this year's event one to remember, so thank YOU everyone for your efforts!! And where would this event even be if not for our Circus Director, Illustrious Sir Craig Stigleman who works tirelessly to make it a success. Thank YOU, Illustrious Sir Craig!

Over the past few years, Moslem has experienced an ever-changing culture in the world we live in. We survived the "Covid years," a shrinking membership (like all fraternal organizations) the ups and downs of the economy and the never-ending demands on us for our support of our Shriners Childrens hospitals (which is what we are proud to do) and children in need from all points of the globe.

But to think we can operate like we did even a short 5 years ago is not even close to realistic, but I can assure you your Divan recognizes this and is working to make the necessary changes within our organization. YOU, the Nobles of Moslem Shrine are our #1 focus, and I am happy and proud to say that I believe that's being recognized and appreciated. I for one would never want to make this trip on my own (or try too) but there is nothing we can't accomplish if we do it together.

Recently, I'm proud to say, Mighty Moslem took a step (albeit a small one) towards moving forward by allowing us to pursue a couple options towards procuring a new home. By an overwhelming majority, you gave us the okay to move forward (NOT Purchase) a new home and this my Brothers, is a fantastic start. All I (we) ask is that you be patient (and Lord knows you've been all that) and let our Housing Team preform their due diligence, gather the FACTS (both positive and negative) and make them available to you so that you, the Nobility of Mighty Moslem can make an informed decision whether to proceed in the direction we have presented or disregard it and start over.

The ultimate decision on a getting a new home regardless of how we obtain one (build new, buy existing, etc.) is totally up to you... the Divan is only here to act in your behalf, do the heavy lifting so that we can get this kicked off dead center.

The future is never promised to any of us, and that becomes a painful and sad reminder with each Noble, friend or family member that is called home. Life is a precious gift, and we all need to join together as we swore, we would when we took our Masonic obligations(s) because the synergy we have and can create when working together is immeasurable.

Sincerely and Fraternally

MESSAGE FROM OUR HIGH PRIEST AND PROPHET

Happy Autumnal Equinox to All:

As Summer concludes, we celebrate the changing of the Seasons: another Michigan State Fair and another Moslem Shrine Circus in The books. I want to take this time to say Thank You to All who came out and worked to make this another successful Moslem Shriner and Friends Venture.

Another successful summer selling C D's to raise funds for Our Hospitals and Patients' needs.

We have Welcomed 26 new Nobles, their Ladies, and their Families into our midst. Let us help them to find their stride and keep them active with Us. Together as We move Mighty Moslem forward.

The Clinton parade is next on our list of things to do. Bring your families out with you to enjoy the festivities and afterglow. It truly can be a family event as Clinton welcomes us, and we entertain Clinton.

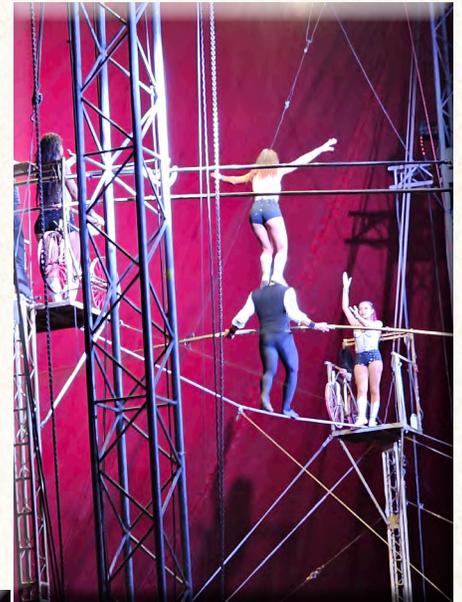

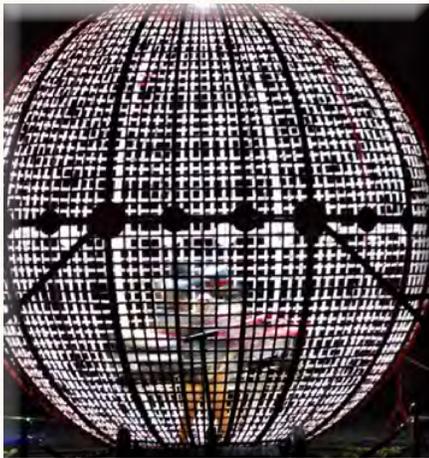

The Veterans Parade on November 5th is always a meaningful experience for me, as it can be for all of us. I'd like to see as many of our Nobles and Families attend this as well. Whether walk in it, ride in it or attend and show support to our Veterans who have given us so much.

In closing, I wish to extend My Sincerest Condolences to our Nobles and their Families who have been visited by the black camel.

Yours In The Faith, High Priest and Prophet

CLINTON FALL FESTIVAL PARADE

TAYLOR SHRINE CLUB TIN LIZZIES

THE LANCERS

The Lancers have been in full swing with parades this summer and fall. In addition to the approved Shrine official parade, the Lancers have also been very active with the Potentate's approval to participate in many other community parades to help raise the awareness of Shriners, Shrine Hospitals, and Freemasonry. Some of these additional parades included both Brighton and Wyandotte for the 4th of July. In September the Lancers are scheduled for Romeo, Richmond, River Rouge, and the Clinton Fall Festival. October and November include, Coldwater (tentative), the Veteran's Parade, Allen Park and the Howell Festival of Lights.

Lancer's will also be participating with one of our Shrine's larger fundraisers which includes the State Fair and the Circus.

If you have an interest in learning more about the Lancers unit or are looking to have that fast go cart that your father wouldn't let you have in the days of your youth, please reach out to any of the Lancers or Bill Cook 810-599-5606 wvc7828@yahoo.com. We welcome your participation and additional fellowship.

The Lancers Unit motto is *"We ride so children can walk."*

CIRCUS CLOWN UNIT

Nobles All,

Greetings from the hardest working Unit in the business, the Clown Unit. The Clown Unit has had a LONG summer filled with many events and activities. The Joeys have been busy with unit meetings/practice, parades, charitable outings, and the grand-daddy of all events – the Shrine Circus at the Michigan State Fair.

We started our shenanigans on July 4th with the Wyandotte parade where the 99-year-old Clown-Mow-beel, the Model-T, made her annual drive down Biddle Ave, and she ran like a top (but I do believe the driver may have stalled her out one time, but quickly recovered...they call that operator error, Sunshine). As usual, the veteran clowns rode in the Model-T and the rest of us lowly joeys had to walk the Parade route. Thankfully the weather was agreeable, and we didn't mind dragging or carrying our individual parade props down the 1.5 mile parade route. On July 22 the Joeys reconvened in Troy, MI for a charitable outing for the Lucky Fin Project. Lucky Fin is a Charitable organization for Kids with limb-differences. The Joeys tied balloons and interacted with the wonderful kids and families who traveled to Troy from all across the United States. I must admit that this event was far more emotionally impactful than I expected and I'm advocating for it to become an annual stop for the Clown Unit; It reminded me that when I complain about ordinary troubles I should probably just shut up. When the Lucky Fin event ended, we loaded up our gear and headed to Dearborn to tie balloons at the Dearborn Goodfellows Picnic. That day we tied roughly 400 balloons in total – a couple of them actually looked like the animal we claimed they were. July didn't end there for the Clown Unit however, we participated in the Shrine Family Picnic tying balloons and acting like buffoons.

August was mostly a slow month for the Joeys, but we did conduct a meeting/practice in preparation for the Shrine Circus at the Michigan State Fair. The Clown Unit started arriving at the Suburban Collection Showplace on Wednesday afternoon and immediately set to work with entertaining the public at VIP night and during the VIP Circus. We also did a Fox2 news spot that afternoon with the "Hall of Shame Reporter" Rob Wolchek. This was just a warm up folks because the next day things really started jumping. The Unit did another Fox2 News Spot at 8:30 am (getting up and ready at about 6am) on Thursday morning and then worked 4 circus performances. Friday we did 4 circus performances and Saturday we were up early again for the 5K run which started at 8am – no we didn't run it, we cheered on the runners as they passed through the Circus tent the we went right to our normal schedule of 4 daily shows. Sunday the now exhausted Clown Unit had another 4 shows. Monday, which was brutally hot/humid, saw the Clowns do 3 Circus shows. In total the Clown Unit did 20 Circus Performances of the "Strong Man" Skit and a bunch of extra "stuff" that required us to get up EARLY. This Joey, like most others was averaging over 6 miles of "steppin" per day, and let me tell ya my dogs were howlin !! But we did it with a smile on our faces because we were making folks smile and we were representing the MIGHTY MOSLEM !! We cant wait to do it all over again next year.

Would you be interested to become a member of the most popular unit in all of Shrinedom ? And yes, I do mean the Clown Unit. We would welcome any Nobles who might have an interest to reach out to us and come to one of our Unit meetings. We can get you in the Grease Paint and a Costume to try it out, or you can just come to a meeting to see what its all about – no pressure. We hope you will consider giving it a try !! You can reach our Director , Ron "Sunshine" Buckner @ 586-612-6071 or via vett64red@aol.com

Don't just be thought of as Clown, put on some make-up and prove it !!

Fraternally,

Toejam

Hello Nobles,

Thank you for allowing me to serve as your representative at Erie Hospital. It truly is an honor to be involved at the hospital level. As an Erie Board Member, I was given the opportunity to attend a meeting in Boston in late July that went over quite a few things that were interesting and pertinent to the Shriner fraternity and our healthcare system that I want to share with you all.

As you can imagine, all the Imperial brass were present, including several members of the Imperial leadership, and our very own Imperial Sir Larry Lieb. Various members of leadership gave presentations and shared important information and perspectives over a few days span. The overarching goal of the meeting was to share with the hospital board members the leadership's vision moving forward.

I would say the meeting content primarily fell into three areas, as outlined below with some explanation and insight as to where leadership plans to take us into the future.

- The first is identity. We are still operating under the name Shriners Hospitals for Children, but due to restrictions with CMS and some of the changes being done to our facilities, we will now be known to the public as Shriners Children's. As our healthcare system evolves, it has become necessary for some of the full-blown hospitals to follow a clinic model. As such, I am very proud to be part of the Erie model, which was the first clinic in our system. That model was envisioned and shaped by our own past potentate, Bob Lee as the Chairman of Erie Hospital and Board member, Jack Horner.
- Next, the leadership sees it fit to expand our health system to the international marketplace. We are not speaking of only the Americas, but rather an expansion to include the Asian Rim and other distant places. There are children who require attention, and we are honored to provide it.
- Finally, a new brand tagline is being rolled out. It is "more children in more places at less cost." It more effectively represents the direction of the hospital. You'll start to see it on promotional materials in the coming weeks.

Now that you're totally confused, I'll try to sum it all up in a few sentences that will bring light through the clouds. As our fraternity expands, it's expanding internationally, we are picking up more Nobles throughout the world at a greater pace than ever. As these Nobles become part of our fraternity, they too want to participate in our charitable endeavors. Therefore, creating a need internationally to take care of children.

The question remains, "How does leadership believe it's best done?" One way is to open clinics that are close to these patients, so that when a Noble loads a child in their car and drives them to the Shrine Hospital, they try to make it less than a one-day trip. These things are happening, believe it or not. As you already know we have three facilities in Mexico presently and are looking to add a couple more. We are also looking to the Philippines to add facilities. So, the challenge becomes how to do it in a financially prudent manner. The direction is to build the additional clinics, and potentially contract with local doctors and clinics to serve as Shriner practitioners / facilities, for maybe a day or a week. And this approach to use local doctors is not just for an International model but intended for here in the United States as well. Advancing this approach is made possible through advancements in patient-focused software and various tele-medicine tools, backed by the Shriners brand. By taking advantage of these programs and tools, as well as other cost-saving factors, we hope to expand and attract an even greater

number of children to be treated at our facilities. That is the strategy behind “More children at more places at less cost.”

Like me, you are probably thinking ‘how does that affect Moslem Temple?’ Our fraternity will stay the same without any significant changes. This metamorphosis will largely be seen at our Healthcare System. However, as your treasurer and a divan member, I can assure you that Tampa looks to us to assist in the transportation of these international patients.

As most of you know, burn cases are decreasing precipitously, and this is a good thing. It is due in part to continued education of parents and increased use of non-flammable goods in the manufacturing process, which Shriners has advocated for decades. Despite the decline in burn incidents, catastrophic accidents still happen and require special care. That said, the international facilities are not equipped to admit burn patients. Therefore, Tampa relies on the Moslem Transportation fund for air ambulance services for some of these burn patients internationally to our burn hospitals here in the states. I'm sure other temples are also being tapped on the shoulder as well. However, it's Moslem's proportionately large balance in the transportation fund that's caught the eye of Tampa, and I believe they're appreciative of the help we've been able to provide.

Again, thank you for allowing me to be your Shriners Children's Erie representative. I know a lot of Hospitals within our network are converting to the Clinical model, but it was Erie a decade ago that envisioned the clinical approach by using a partner hospital to perform many of the surgeries. As an independent hospital, we would have never been able to perform enough surgeries to satisfy the definition of a hospital by CMS, by partnering with Pittsburgh Children, Erie is consistently the lowest drawer on endowment. We are now drawing less than a half a percent of the total draw of all the facilities combined. I'm very proud of that.

May God Bless our Drivers and Childcare Staff – to keep them safe on their greatly appreciated task.

Yours in the Faith,

Joe Merem

SHRINERS CHILDREN'S OHIO

The summer was a busy one around the SCO campus. The Board of Governors in July fed over 500 hospital employees combined between Dayton Childrens and Shriners Children's staff. This is the second year in a row. It was well received and a wonderful way to show our appreciation. Shriners Children's Ohio is a hospital within a hospital. The strategic advantage with this model is now paying many dividends, not the least of which is the support given to each partner in terms of critical services. Shriners Hospital for Children in Cincinnati was compelled to reinvent itself or face closer in January 2019. This was an incredibly challenging and arduous task, but it was accomplished. I am thankful every day I was part of this phenomenal undertaking. Our kids are a testament to how much can be accomplished when you provide world-class care and support. The SCO's Celebration Weekend in August was an enormous success. Our newly appointed patient standard bearer, Gavin, threw out the first pitch at the Dayton Dragon's minor league baseball game, what a thrill! Gavin will represent Shriners Children's Ohio at the Shriners Open golf tournament next month in Las Vegas. Seeing these kids blossom and develop into thriving confident young adults is a testament to the human condition. They knock down all the barriers. They thrive despite the unfair and impossible limitations they have been given. It is impossible to measure. For this reason, I am incredibly humbled and grateful!

Shriners Children's Ohio

Things are trending in a positive direction, and not because this was unexpected. Much effort and dedication has gone into this process. There is a buzz in the air with a feeling of joy and excitement especially among the physicians, the staff, and of course those of us blessed to be a member of the Board of Governors. The key here is setting the tone for 2023 with a well-honed strategic plan. This gave us a track to run on.

Vision Statement – Continue to be the best at transforming children's lives by providing exceptional healthcare in a patient and family centered environment.

Mision Statement – Treating our kids and their family with wrap around care at the highest quality, specializing in burns, plastics, and beyond to achieve our goal of improving a child's quality of life through our centers of excellence. Serving more kids in more places worldwide.

Two distinct reasons. Serving more kids in more places has become a reality for Shriners Children's as a considerable number of SCO's patients are from foreign countries and growing. The other is our craniofacial program. Our patients have come from 28 states and more than 35 countries for world-class, life-saving, and developmental challenges that occur when a child has a congenital or acquired condition. Shriners Children's Ohio now admits directly or on an outpatient basis, more children to the craniofacial program that we do children with burns. The scales tipped in the other direction in the spring of 2023. SCO treated more children for craniofacial disorders than they did for burns. This was isolated but this program is showing many signs of success. Naturally enough, the combined mission has a synergistic relationship.

Lucky Fin Project

Celebrating the wonderfully made, one "Lucky Fin" at a time.

Lucky Fin was founded in 2007 by Molly Stapleton when her daughter Ryan was born. Lucky Fin is an amazing organization that creates a support network for parents across the US & around the world to link parents to medical information & resources about limb differences.

My daughter Sarah was born with syndactyly in her left hand (a condition where two or more digits are fused together). We discovered Lucky Fin in 2013, after meeting Molly & Ryan – Sarah was filled with excitement as she finally found her "tribe". As she navigated through School, she never met anyone with the same hand condition she has. She had to deal with a Varsity Coach in Volleyball asking her not to try out for the team because he didn't know what position she could play. As a Mom, I needed some type of support group to reassure her she was perfectly unique & capable of amazing accomplishments.

With the support of Lucky Fin & all of the empowering people she has met, she earned a spot on Team USA, earning a Silver Medal in Paraclimbing & she is now one of the Lucky Fin Ambassadors – Sarah & a few of her lucky friends ran a table showing lucky fins about adaptive climbing resources. A few weeks ago, she organized a Lucky Fin Wisconsin Chapter picnic where she lives & met other Lucky Fin Families – I can't tell you how proud we are of her.

This year, Molly asked the 2019-2020 Shrine National Patient Ambassador Madelyn to attend & it was an honor meeting her in person.

I want to Thank the Shriners for their amazing support every year when I ask if we can help with this annual picnic – something so dear to my heart. This year, our Recorder, Mr. Robert Pate; our Patient Ambassador, Troy Thompson; our Shrine Photographer, Mr. Don Kincheloe; our Moslem Shrine Clown Unit, Helping Hands & the Lady Clowns, for all of their help making this year's picnic a total success.

Molly holds a silent auction at the picnic to raise money to help Financially support efforts for children to attend specialized camps, obtain prosthetics, and to fund other organizations within the limb different community, our Shrine office was blessed with several donations – Rhondi from Village of Decorative Painters & their team donated 4 beautifully painted trinket boxes & a very generous Noble from our Provost Unit donated a huge Fezzy Bear from Vermont Teddy Bear Company.

This year, we had over 900 people attend from all over the US & a few other Countries; we are already preparing for next year's picnic, which will be in July 2024.

2024 Winter Sportsman's Raffle – Mike Zelmanski, PP

WOW! We are celebrating 10 years of the Shriners Annual Winter Sportsman's Raffle at the Suburban Collection Showplace on Saturday, February 10, 2024.

It seems like just a short time ago that we were in the planning stages of the very first year! At that time, the Divan came to me and asked if I was interested in running a wild game dinner at the Suburban Collection Showplace for an early year fundraiser. Knowing that wild game dinners are both plentiful in the area and an expensive ticket, I suggested that we just do what we do best ... have another Sportsman's Raffle!

Using the information, I already learned from heading up the Summer Raffle for the prior 5 years, we negotiated 1 hall to rent. Based on pre-event sales, I was fully expecting a crowd of 1,500 to 1,800 people. I didn't want to get caught with my pants down so, I had enough food,

beer, pop and water for 2,400 people just to be safe. As we watched the crowd pour in the doors, I could quickly see we were going to be in trouble. We ended up with 3,800 people show up that inaugural year! I had to send people out for more of everything It wasn't pretty as we scrambled to do the best we could to keep up! I could see that our guests were clearly just as frustrated as I was with the crowded conditions and lack of food/beer. I got up on the stage as we were nearing the 50/50 drawing and apologized for not being better prepared, promising to fix it for the following year and fix it we did.

Since the first year, our attendance has nearly doubled at the event. We've added 50,000 additional sq ft of space, 20 additional prizes to the main raffle while significantly increasing the average value of each prize. We hold the current World Record of 134 decks of cards auctioned during the 52-card gun raffles and our 50/50 payouts to the winner have been consistently over \$20,000. We are now, and have been, the premier Sportsman's Raffle in all Shrinedom and perhaps the country!

All of our success could not be achieved without the best volunteer crew anyone could ask for. Selling tickets in advance, working before, during and after the event, you are the greatest! Thank you everyone for the years of time and effort you have already put in to help us succeed. I'm proud of everyone. We are Moslem Strong!

Tickets and flyers for the Winter Sportsman's Raffle are currently available at the Shrine Office for pickup and also can be purchased online at shrineoutdoors.com.

Save Your Tabs!

What is the “Pull-Tab Collection Program”?

Pull-tabs, or pop tabs, from beverage cans can be saved and donated to the Moslem Shriners. The tabs are sold to a recycling company and the money collected is used to help Shrine Kids.

for
Recycling

Why collect the tabs and not the entire can?

Aluminum has recycling value, and the tab is the only pure aluminum part of the can. The can itself can still be returned for the deposit in Michigan after the tab has been removed.

Where do you deliver the tabs?

Tabs can be dropped off at the Moslem Transportation Bus Garage in Clawson. Call the Garage to make arrangements to drop them off.
