Potentate's notes

Thomas Thompson, Potentate

It is with a profound sense of gratitude and fulfillment that I write to you today. Serving as the Potentate for Moslem Shriners has been a privilege and an honor that I will forever cherish. As my term comes to an end, I am filled with pride for all that we have accomplished together and the legacy we have built.

I want to take this opportunity to express my love and appreciation to First Lady Hazel and our First daughter, Theresa. Thank you both for your unwavering support, dedication, extremely hard work and commitment to make 2024 successful. These ladies are truly inspiring and an example of what family support really is.

It has been a truly humbling experience to lead this illustrious group of individuals who are united in their passion for service and philanthropy.

As I pass the torch to the new administration, I want to assure you that you are in good hands. I have full confidence that the incoming leadership will continue to serve you with excellence, integrity, and a vision for even greater heights. I have witnessed firsthand the dedication and capabilities of the individuals who will be taking on these roles, and I am certain that they will lead our organization to new levels of success.

I would like to extend a special thank you to my General Chairman, Jeff Geske, whose unwavering support and

steadfast leadership have been instrumental in our achievements. I am truly grateful for his commitment to our cause and his tireless efforts on behalf of the Nobility of Moslem Shriners. I would also like to express my appreciation to our Recorder, Bob Pate, and our Treasurer, Joe Merem, for their extraordinary performance in their respective roles. Without their dedication and hard work, I am certain that my tenure as Potentate would not have been as successful.

As for the 2024 housing chairman and his staff, Hazel and I are truly grateful for all the support and hard work they have done. For those of you who missed the Imperial Session in Reno this year, you missed an amazing hospitality room. It was truly one for the books.

In closing, I want to thank each one of you for your support, camaraderie, and dedication to our organization. It has been a privilege to serve as your Potentate, and I look forward to seeing the continued growth and success of the Nobility of Moslem Shriners under the leadership of the new administration.

Fraternally yours,

Tommy Thompson

Chief Rabban's notes

Gary Lewandowski, Chief Rabban

Nobles all,

As we enter the fourth quarter of our year 2024, I wanted to pause and think about this past year and how far Mighty Moslem has come, and I ask each of you to do the same. I do not have to list things because as the current acronym "IYKYK" says; "if you know, you know."

If you do not know or are not sure, then you need to stop in and visit our new home in Farmington Hills, look around and see for yourself and feel the energy of a fresh start...it is contagious.

Recently, my Lady Lori shared a poem that appeared in a local paper. The poem, entitled "Have You Earned Another Tomorrow" was written by Edgar A. Guest (who passed away back in 1959). Mr. Guest was British-born American poet who became known as the "people's poet" and was also a reporter for the Detroit Free Press...here is his poem:

Have You Earned Another Tomorrow:

*"Is anybody happier because you passed his way?
Does anyone remember that you spoke to him today?
This day is almost over, and its toiling time is through,
is there anyone to utter now a kindly word of you?
Did you give a cheerful greeting to the friend who came along?
Or a churlish sort of "Howdy" and then vanish in the throng?
Were you selfish pure and simple as you rushed along the way,
or is someone mighty grateful for a deed you did today?
Can you say tonight, in parting with the day that's slipping fast,
that you helped a single brother of the many that you passed?
Is a single heart rejoicing over what you did or said,
does a man whose hopes were fading now with courage look ahead?
Did you waste the day or lose it, was it well or sorely spent?
Did you leave a trail of kindness or a scar of discontent?
As you close your eyes in slumber, do you think that God would say,
you have earned one more tomorrow by the work you did today?"*

Chief Rabban's notes

I am sure after reading this you may think, "that has some Masonic overtones," as well it should. You see, Brother Edgar A. Glenn was made a lifetime Mason in Detroit's Ashlar Lodge No. 92. In honor of Brother Guest's devotion to the craft, the Grand Lodge of Michigan established the "Edgar A. Guest Award" for Lodges to present to non-Masons within the community who have demonstrated distinguished service to the community and their fellow man.

I shared this with ALL of you not because I wanted to give a history lesson, but because in reading it, I myself gave pause to reflect on who I am and what I think I have done or accomplished that helped another... and more importantly to help me better secure my Masonic foundation, which is something we all have but may have forgotten it's there.

Remember that the strength and harmony we share as Moslem Shriners, should always find its foundation in our Masonic teachings and beliefs. If we do, then the question asked in the poem; "Have you earned another tomorrow" should be clear in your hearts (where it counts most.)

Sincerely and Fraternally,

Gary Lewandowski

Oriental Guide's notes

Patrick McCusker, Oriental Guide

Nobles & family,

As I sat reflecting on what to write—considering what you might find important and what you'd like to hear—it suddenly struck me. You and your family are what truly deserve attention. Throughout the year, Nobles, their wives, family, and friends have supported Moslem, and we couldn't succeed without your participation in our events and gatherings. This philanthropy and fraternity are for YOU, and the DIVAN is here to support you and help bring fellowship. Thank you to everyone who joined us and helped make all our events successful this year. However, what matters even more than participation is the dedication of our volunteers. All our events rely on volunteers. These dedicated individuals collect prizes and donations for Moslem and manage the themes, setup, and breakdown of each event. While we enjoy great fellowship with one another, our volunteers are hard at work—not in the traditional sense of earning a paycheck, but by generously giving their time for all of us. They do this to support the growth of our Temple and to raise funds for our Temple, hospitals, and childcare services. These volunteers put in

hard work without any financial compensation, all for our benefit. At the Michigan State Fair and Detroit Shrine Circus Labor Day weekend, we had an excellent turnout of volunteers. There were numerous opportunities to get involved over the holiday weekend. Seeing such a great turnout was fantastic. Some were long-time Shriners, while others had just joined this year. Many even brought their families to lend a hand. I want to express my heartfelt thanks to you and your family for your support. Whether through your participation or by holding down the home front so you could come out and serve your Temple and community, it means a lot.

Next time we have an event, take a moment to thank a volunteer. We always need more helping hands! If you're interested in volunteering or have any questions about opportunities, feel free to reach out! Thank you once again to you and your family.

Thanks again, Patrick McCusker - Oriental Guide

Shriners Children's and Moslem's Childcare

To many, it may be surprising to learn that the majority of Shriners have never visited a Shriners Children's location or any of the outreach clinics currently providing world class care to children and families in need. It should also be noted that this phenomenon is not unique to Moslem and encompasses Nobles that have been a member of this fraternity for decades down to those joining this year. Over the past few years, it appears that our Nobility is distancing themselves from our Philanthropy. This is by no means the fault of the Divan, a Unit, a Club or any individual Noble, it is simply a fact, and it is something that I believe we need to correct.

The reason that I am highlighting this trend is that it is important to not lose focus on what it means to be a Shriner outside of picnics, parades, various "fun" activities, and fundraisers. Being a Shriner is supporting "the World's Greatest Philanthropy" which is, Shriners Children's.

Our statistics:

- 1,592 children in Moslem's care. Note – some of these may receive care monthly, yearly, or are now above the age of 18 but may still be receiving care.
- We are affiliated with Chicago IL, Erie PA, Ohio, Philadelphia PA, Greenville SC, and Montreal Canada.
- We are supporting transportation to and from various locations in the U.S. as well as from different countries such as, but not limited to:
Mexico / Nepal / Philippines / Cuba / China / Ukraine / the E.U. / New Ghana / Guatemala / Pakistan / India / Brazil / Fiji / St. Vincent / Venezuela / Nigeria

- 2023 statistics for Chicago Children's only:
- Operating budget is slightly over \$1,000,000 per week
- 2,200 new patients
- \$1.5 million in research grant funding
- 24 clinical exam rooms
- 16,260 outpatient visits
- The only accredited Motion Analysis Center in Illinois, Iowa, Indiana, or Wisconsin
- 3,100 pediatric psychology visits
- More than 90 physicians and advanced practice professionals
- 1,242 surgeries
- 16,592 visits to rehabilitation therapy services
- Patients from 38 countries
- 25% increase in spine surgeries with implants
- 99 residents completed a clinical rotation
- 15 hospital-affiliated Shrine locations

General Chairman's notes

Shriners Children's three-part mission has one goal: to change and improve lives.

Shriners Children's has been serving children with complex and specialized healthcare needs since 1922. They have become one of the largest specialty pediatric health care systems in the world. In addition to caring for children at our primary locations in the United States, Canada and Mexico, we hold outreach clinics all over the world.

They are dedicated to providing the highest quality care to children with orthopedic, neuromuscular, colorectal and gastrointestinal conditions, burn injuries, craniofacial conditions and spinal cord injuries. Our experienced medical teams also provide spine care, sports medicine and other special health care within a compassionate, family-centered and collaborative environment. Their physicians are board-certified in their areas of medical specialty.

That is something that every Noble and Lady should take pride in.

The easiest way to engage with Shriners Children is to simply visit one. Every year, Shriners Children's host an open house where the Nobility and their family can witness firsthand what they do and to a limited degree, interact with some of the children in our care. If that is not an option, speak with one of the Moslem Shriners Children's representatives or if you're in Moslem's building, speak with our childcare Coordinator, Pam and learn of the successes that Shriners Children's are accomplishing.

Always remember, your support is the reason that our Shrine kids can succeed and if you would like to take a more active role in what we do, all you need to do is ask.

THANK YOU

I am writing to express my deepest gratitude and heartfelt thanks to Suburban Showplace and the Bowman family for hosting this wonderful event. I wish to express my thanks to each and every one of you who worked tirelessly behind the scenes to make the Michigan State Fair a resounding success. Your hard work, dedication, and unwavering commitment to excellence truly made this event a memorable and enjoyable experience for all who attended.

A special thank you to Craig Stigleman, John Nagods, Larry Senn, Michelle Geske, Kevin Meyer, the Moslem Clowns, L.O.S. Clowns, the visiting clowns from several other Temples, and, of course, our Divan. Your collective efforts and contributions played a significant role in the success of the fair, and we are truly grateful for all that you do.

While there are too many individuals to name individually, please know that each and every one of you played a crucial part in bringing the Michigan State Fair to life. Your hard work, creativity, and dedication did not go unnoticed, and I am incredibly thankful for your selfless contributions.

The success of the fair would not have been possible without the dedication and teamwork of each and every one of you. Your passion for our cause and your willingness to go above and beyond are truly inspiring, and I am honored to be a small part of such dedicated volunteers as part of our philanthropy.

Once again, thank you from the bottom of my heart for all that you do. Your hard work and dedication have not gone unnoticed, and we (your Divan) look forward to many more successful events together in the future.

With sincere appreciation and warmest regards,

Faternally yours,

Moslem Shriners' Philanthropy: A \$5,000 Gift to Shriners Hospitals for Children in Erie, Pennsylvania

The philanthropic efforts of the Moslem Shriners were recently showcased in a heartwarming event where a \$5,000 check was donated to the Shriners Hospitals for Children in Erie, Pennsylvania. This donation represents a significant boost to the hospital's ongoing mission to provide top-tier medical care to children with mobility challenges and those in need of limb prostheses. Known for its cutting-edge medical imaging equipment, the Erie hospital continues to make remarkable strides in pediatric healthcare.

The ceremonial presentation of the check was conducted by Dave Henderson, on behalf of Potentate Tommy Thompson. The event was graced by the presence of several notable individuals, including PP Bob Pate and his wife Candace, Treasurer Joe Merem, and Childcare Director Dr. Bisham Singh. Their participation underscores the strong community support and dedication to the hospital's mission.

The Lucky Fin Project: Building a Supportive Community

In another noteworthy event in July, the Moslem Shriners engaged with the Lucky Fin Project, an organization committed to assisting children with various disorders and limb abnormalities. I extend my heartfelt thanks to PP Jeff Geske and his wife Michelle for inviting me, along with Potentate Tommy Thompson, to witness the incredible work of this organization. The Lucky Fin Project brings families from across the country together, fostering a supportive community where children and their families can connect and build lasting relationships.

Many children involved with the Lucky Fin Project are former Shriners Hospital patients, reinforcing the enduring relationship between these families and the Shriners. During the event, we provided valuable information about new patients and the services offered by Shriners Hospitals, further extending our reach and support.

Community Engagement and Efforts

The Ladies of the Shrine played an essential role in ensuring the success of the Lucky Fin Project event. They managed the setup booth, provided parents with critical information, and

delighted the children with various goodies. The Clowns and Ed from the Lancer group added a touch of joy and entertainment with their mini truck and balloon artistry, making the event even more memorable. Special recognition goes to PP John Berry, who, after several attempts, taught me the art of creating balloon animals and swords – thank you, John!

A Call to Action and Appreciation

These events exemplify the core purpose of the Shriners' existence: supporting children with burns and orthopedic issues worldwide and ensuring they receive the best possible care at Shriners Hospitals. I encourage everyone in the Divan and the nobility to attend these events at least once to witness firsthand the incredible impact of our work.

A special thank you goes out to our drivers and Pam in the office, whose dedication and hard work are integral to the success of our operations. Their contributions are invaluable, ensuring everything runs smoothly and efficiently.

Looking Forward

The continued commitment of the Divan and Moslem to supporting children's healthcare is truly commendable. This financial assistance makes it possible for us to provide exceptional care and support to children in need. As we look forward to next year's events, we remain dedicated to making a positive difference in the lives of these children and their families.

In conclusion, I would like to express my gratitude for any advice or support that can help this movement grow and inspire others to participate. A special mention goes to Past Imperial Potentate George A. Mitchell, who was present at Erie Pennsylvania hospital a worthy brother, for the generous gift of his Shriners tie. He literally took it off his neck and placed it on mine – a true testament to his generosity and leadership.

Thank you all for your unwavering support and dedication. Together, we can continue to make a lasting impact on the lives of children and their families.

My fellow Nobles, I hope this message finds you in good health and high spirits. As dedicated members of the Moslem Shriners, we all share a common goal to support our Temple and uphold the values that bind us together. However, I have observed a growing trend among some of us- expressing dissatisfaction with our leadership while remaining passive in the face of challenges.

I understand that it is easy to sit on the sideline and voice concerns, but true change requires action. If you have ideas and a vision for how we can improve and grow, I urge you to consider stepping up and running for the office of Oriental Guide. This is an opportunity not just for individual growth, but for the betterment of our entire fraternity.

Your unique insights and experience can significantly impact our organization. By taking a leadership role, you can directly contribute to the changes you wish to see. The Shrine needs passionate and committed individuals who are willing to roll up their sleeves and work towards a brighter future.

Remember, every great journey begins with a single step. If you feel the desire to make a difference, I encourage you to act on it. Your leadership could inspire others and galvanize our members toward greater achievement. Let`s transform our concerns into constructive actions and work together to uplift the Shrine.

SUMMER PICNIC FUN!

From Behind the Handlebars Moslem Shriners Motor Corp

“We Ride So Children Can Walk”

The Motor Corp is looking for new riding members to join Moslem Shriners elite parade unit.

The Motor Corp Unit has changed our motorcycle requirements regarding the Harley-Davidson motorcycles. You must have a late Model Arctic White Ultra Classic. You can buy a new or used motorcycle as long as it meets the Unit's requirements. The Motor Corp Unit used to purchase a new Harley-Davidson every two (2) years. That requirement is not the case today.

The Motor Corp Unit will teach you (and practice) our parade and competition maneuvers.

The Moslem Shriners' Motor Corp has over sixty (60) years of riding tradition. Come ride with us.

Contact Unit Director Gary Kolwaski at 248-842-6059 for information relating to date, time and location of meetings.

Join the Best, Ride with the Best.

Greetings from the newest Unit of Moslem Shrine.

Motor City Nobles ("MO CI NO") is excited to be the newest Moslem Shrine. We enthusiastically ride as a group to put smiles on children's faces and to help raise funds for Shriner's hospitals.

We had a great time participating in the State Fair and also in the summer parades. We just finished off the 2 most recent parades being Romeo Peach Festival and Richmond "Olden Day."

Our new unit is for Shriners who want to be active participants and enjoy owning and driving 4-wheel vehicles that meet our flexible units requirements. For details or to get more information on the unit, please reach out to Noble Ed McDonald.

Currently the majority of our vehicles are unique mini-monster trucks which are customized by each owner. The response from parade goers has been overwhelming positive. Many of the children are excited to see Fuzzy riding on the golf cart as our MOCINO mascot.

LOOKING FOR NEW MEMBERS

The Brass Band wants to grow, to better serve Shrinedom. In order to attract new members to our instrumental unit, we would encourage any Shriner with some musical background, playing brass and/or woodwind instruments, or along with a background as a percussionist to contact Director Jack Lidster at (313)815-9674
